the years 1990 1993 more nation states than ever before came into being within a short
period of time 15 hybrid ethno national states and three fragile states of federated nations
since then of the latter the federal republic of yugoslavia fell apart and the other two are
imperiled by ethno national movements state and ethnic nationalism have combined in each
country in curious forms allowing for a gradual national consciousness which aims at
multinational federalism or national autonomy as an alternative to national secession in this
volume authors from the east and the west discuss the results of many years of research
on nationalism as well as the new approaches to the understanding of a nation in addition
the failure of the multinational states the soviet union yugoslavia the partial national state
