race sex and gender

a no nonsense guide to how to purchase and care for video equipment as well as techniques for use of the equipment and creating your own video productions

in 1987 a budget classical record label was started in hong kong by klaus heyman a german businessman who loved classical music swiftly it gained a world wide reputation for reliable new digital recordings of the classics at a remarkably low price despite opposition from the classical record establishment it grew at a remarkable pace and soon expanded into opera early music contemporary music and specialist repertoire so that it became appreciated by specialist collectors as well as the general music lover it is now the leading provider of classical music and as an innovator in digital delivery at the heart of naxos is one man klaus heyman the combination of his broad knowledge of classical music and his acute business acumen has enabled him to build the most varied classical

music label in the world but also the most effective distribution network to ensure that his recordings are available everywhere this fascinating story explains how it happened how a one time tennis coach in frankfurt became a classical recording mogul in hong kong and how at the age of 75 he still holds the reins as firmly as ever

popular science gives our readers the information and tools to improve their technology and their world the core belief that popular science and our readers share the future is going to be better and science and technology are the driving forces that will help make it better

the book addresses basic issues in the history of labor and industry and makes an original contribution to the discussion of how technology and people interact
