this gripping and well documented account of the history of the town of vilnius and its surrounding region from the polish ultimatum of march 1938 which forced lithuania to open diplomatic relations with poland to the incorporation of lithuania into the soviet union in june 1940 is set against the evolution of lithuania s relations with her neighbours during this crucial period it is a major contribution to the outbreak of war in september 1939 and the subsequent evolution of nazi soviet relations prof liekis presents a remarkable history based on archival sources never before utilized in any english language study in revealing the geopolitical ideological economic social and ethnic dimensions of an immense tragedy in the heart of europe the author provides a new perspective on the unraveling of a society and nation during the initial days of world war ii as prelude to the most violent period in european history publisher s description

the period between the 1880s and the 1920s was a time of momentous changes in the ottoman empire it was also an age of literary experiments of which autobiography forms a part this book analyses turkish autobiographical narratives describing the part of their authors lives that was spent while the ottoman empire still existed the texts studied in this book were written in the cultural context of the turkish republic which went to great lengths to disassociate itself from the empire and its legacy this process has only been criticised and partially reversed in very recent times the resurging interest in autobiographical texts dealing with the old days by the turkish reading public being part of a wider renewed regard for ottoman legacies among the analysed texts are

autobiographies by writers journalists soldiers and politicians including classics like halide edip adivar and Şevket süreyya aydemir but also texts by authors virtually unknown to western readers such as ahmed emin yalman while the official turkish republican discourse went towards a dismissal of the imperial past autobiographical narratives offer a more balanced picture from the earliest memories and personal origins of the authors to the conflict and violence that overshadowed private lives in the last years of the ottoman empire this book aims at showing examples of how the authors painted what one of them called images of a past world

in a first of its kind collection the theater of teaching and the lessons of theater offers a riveting array of perspectives approaches and dialogues exploring the intersections between theater as text theater as performance and theater as pedagogy the essays in this book advance the idea that in their interactive qualities both teaching and theater have profoundly political and social dimensions scholars and teachers from a variety of backgrounds present in this volume an intentionally improvisational and fluid examination meant to offer a model of how to discuss and engage in the practice of theater and teaching ultimately interweaving the two the theater of teaching will be equally useful to teachers students and practitioners of theater
