soccer strategies for sustained coaching success is a unique book about coaching soccer in it ashu saxena shares successful

secrets for long term player development which is a current hot topic in the soccer world this is a special resource that combines credibility experiences of a coach who has coached u9 u19 age groups and comprehensive coverage of coaching soccer

this book shows athletes how to get the best out of the recruiting process conduct it like a job search wherein the student athlete is marketed to college coaches you must target the right schools and then market yourself in the right way once a coach becomes interested many other issues must be settled ncaa clearinghouse recruiting rules scholarship issues etc this book helps high school athletes understand the recruiting rules and increase their chances of getting into the college of their dreams

roads and road transport before the turnpikes have had a bad press but little attempt has previously been made to investigate what road services for goods and passengers were really like this important new book presents a strikingly different picture from the traditional one a large network of road services which were reliable and regular in both summer and winter surprising conclusions are drawn about the state of the roads the impact of the earliest turnpikes the failure of stage coach speeds to increase between the 1650s and 1750s and the sudden increase in those speeds in the 1760s a rich collection of illustrations including many documents photographs and contemporary drawings enhances this splendid work this impressive book examines the london carriers and stage coach men and their customers from the 1650s to the 1760s when turnpikes began to have a significant effect it will transform conventional views of how the metropolis and provinces were linked in the period preceding the industrial revolution and is both essential reading for local and transport historians alike

a surprisingly little known marque today elcar once ranked among the finest vehicles on american roads built to exacting standards in elkhart indiana an elcar could compete head to head on the basis of performance quality or price with the products of much larger manufacturers ultimately done in by weak distribution and the ravages of the depression elcar today stands as an example of an ambitious company that transformed itself successfully if temporarily from a maker of buggies and harnesses into a respected car manufacturer in the early days of the automotive age this remarkably exhaustive history researched over several decades from all available sources including interviews with former elcar employees details all elcar models and the pratt vehicles that preceded them as well as the personalities behind the cars extensive appendices provide a complete model history with specifications a full corporate chronology an illustrated accounting of all elcars and pratts known to survive whole or in part today a roster of company employees a descriptive list of all ads and brochures ever produced by the company and a wealth of other data that can be found nowhere else lavishly illustrated and surpassingly thorough this book is a well of information on a significant but forgotten line of automobiles
