most introductions to apologetics begin with the how to of defending the faith diving right into the major apologetic arguments and the body of evidence for those who want a more foundational look at this contested theological discipline this book examines christian apologetics in its nature history approaches objections and practice

in early christian apologetics d h williams offers a comprehensive presentation of christian apologetic literature from the second to the fifth century considering each writer within the intellectual context of the day williams argues that most apologies were not directed at a pagan readership in most cases he says ancient apologetics had a double object to instruct the christian and to persuade weak christians or non christians who were sympathetic to christian claims traditionally scholars of apologetics have focused on the context of persecution in the pre constantinian period by following the links in the intellectual trajectory up through the early fifth century williams prompts deeper reflection on the process of christian self definition in late antiquity taken cumulatively he finds apologetic literature was in fact integral to the formation of the christian identity in the roman world

an authoritative reference for key persons concepts issues and approaches in the history of christian apologetics allowing you to read the great apologists and thinkers in their own words and understand their arguments in historical and cultural context christian apologetics an anthology of primary sources makes available over fifty primary source selections that address various challenges to the christian faith in the history of apologetics the compilation represents a broad christian spectrum ranging from early writers like saint paul and saint augustine to saint teresa of avila and blaise pascal to more recent apologists such as c s lewis alvin plantinga william lane craig richard swinburne and pope benedict xvi insightful introductions black and white images concise section headings and

discussion questions will guide you toward a clearer understanding of classical defenses of christianity sources are organized thematically and include topics such as arguments for the existence of god defenses of the doctrine of the trinity discussions on the authority and credibility of canonized scripture questions regarding the problem of evil and free will discourses on christianity and science annotated reading lists a bibliography and author and subject indices make this anthology a useful textbook or supplemental reader

this volume is a collection of selected readings that are of continuing significance for christian apologetics dr bush has written a general introduction to the field of apologetics and an introduction to each apologist cited and the work or works from which selections have been drawn a brief bibliography is also given for each writer christians have always been called on to defend their beliefs certainly no less today than at any other time in history in this book the outstanding apologists of previous centuries become models both in the content of their writing and in their methodology for christians today all those who love the lord and his church and are concerned that many be made aware of the reasonableness of the christian faith will find this book enlightening and exciting

the first book on christian apologetics written by a leading atheist figure that teaches christians the best and worst arguments for defending their faith against attack the christian faith has been vigorously defended with a variety of philosophical historical and theological arguments but many of the arguments that worked in an earlier age no longer resonate in today s educated west where has apologetics gone wrong what is the best response to the growing challenge presented by scientific discovery and naturalistic thought unlike every work on christian apologetics that has come before how to defend the christian faith is the first one written by an atheist for christians as a former christian defender who is now a leading atheist thinker john loftus answers these questions and more he shows readers why christian apologists have failed to reach the intelligent nonbeliever and offers practical advice for christians whether they want to better defend their faith against atheist arguments or actively convert more individuals to christianity

world famous apologist norman geisler offers a new edition of his bestselling apologetics text which has sold consistently for over thirty years over 125 000 copies sold this edition has been updated throughout and includes three new chapters it offers readers a systematic approach that presents both the reasons and the methods for defending the claims of christianity topics covered include deism theism christ s authority and the inspiration of the bible

is it still possible in an age of religious and cultural pluralism to engage in christian apologetics how can one urge one s faith on others when such a gesture is typically regarded with suspicion if not outright resentment in humble apologetics john g stackhouse brings his wide experience as a historian philosopher journalist and theologian to these important questions and offers surprising and reassuring answers stackhouse begins by acknowledging the real impediments to christian testimony in north america today and to other faiths in modern societies around the world he shows how pluralism postmodernism skepticism and a host of other factors create a cultural milieu resistant to the christian message and he shows how the arrogance or dogmatism of apologists themselves can

alienate rather than attract potential converts indeed stackhouse argues that the crucial experience of conversion cannot be compelled all the apologist can do is lead another to the point where an actual encounter with jesus can take place finally he shows how displaying an attitude of humility instead of merely trying to win religious arguments will help believers offer their neighbors the gift of christ s love drawing on the author s personal experience and written with an engaging directness and an unassuming nature humble apologetics provides sound guidance on how to share christian faith in a postmodern world

the bible commands christians to contend earnestly for the faith once for all delivered to the saints jude 3 believers are called by god to rationally defend the christian faith as we live in a post christian era in this helpful survey dr fernandes introduces his readers to christian apologetics the science of defending the faith he discusses eight different ways to defend christianity some of the issues in this book include arguments for the existence of god historical evidences for jesus and scientific evidence for god the author also shows his readers how to respond to adherents of other religions this book is a must read for christians who desire to effectively share and defend their faith with others non believers who are seeking spiritual truth will also benefit from reading this book

what do educated urban people think about god and why what factors logical emotional experiential or intuitive incline them towards belief or towards unbelief how do they balance these factors why do many seem to be swing voters comfortable sitting on the fence unmotivated to move far either way what common ground do they share with christianity what are their objections to christian belief and practice and their misunderstandings why do many people describe intuitive and emotional attraction to believing in god but resist it intellectually what apologetic approaches would make most sense specifically to educated urban australians what media products do they enjoy and trust and how should these insights influence apologetics grenville kent asks these questions in one australian demographic to help target big questions a documentary film series for christian apologetics anyone interested in apologetics evangelical media and the application of marketing research to evangelism will be interested in this study

christians have always felt a duty to explain and defend their faith but in today s global village that duty can easily become a burden what can christians say to hindus to third world communists to agnostic social or natural sciences no creed or catechism can adequately deal with all the challenges to christianity what we need is a comprehensive model of the christian faith one that can meet widely varied challenges without compromising the gospel after describing how christians have done apologetics in the past william dyrness sketches a model for effective apologetics in the twenty first century he shows how his model relates to various non christian philosophies as well as how it speaks to many christian concerns including the problem of suffering

the big book of christian apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith examining nearly every key issue person and concept related to christian apologetics this book clarifies difficult biblical passages clearly explains various philosophical systems and concepts

examines contemporary issues and challenges and offers classic apologetic arguments all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics an expertly abridged version of the Baker Encyclopedia on Christian Apologetics this resource brings leading apologist Norman L Geisler's seminal work to the masses

People in our world are full of questions about the Christian faith how do I know there is a God is the creation story true is Christianity true why should I trust a book that is 2000 years old was Jesus really raised from the dead was Jesus the Son of God is there only one path to heaven Peter commanded Christians to be prepared to make a defense to anyone who asks you for a reason for the hope that is in you 1 Peter 3:15 Dr Mark Bird's introduction to Christian Apologetics will help you answer this call it will give you clear information that helps you respond to questions such as these if you are ministering among non Christian people introduction to Christian Apologetics will give you answers to some of the questions they ask if you are ministering primarily to Christian believers introduction to Christian Apologetics will give you a more solid understanding of the scientific historical and philosophical basis for your faith
