drawing on previously unpublished eyewitness accounts prizewinning historian donald l miller has written what critics are calling one of the most powerful accounts of warfare ever published here are the horror and heroism of world war ii in the words of the men who fought it the journalists who covered it and the civilians who were caught in its fury miller gives us an up close deeply personal view of a war that was more savagely fought and whose outcome was in greater doubt than readers might imagine this

is the war that americans at the home front would have read about had they had access to the previously censored testimony of the soldiers on which miller builds his gripping narrative miller covers the entire war on land at sea and in the air and provides new coverage of the brutal island fighting in the pacific the bomber war over europe the liberation of the death camps and the contributions of african americans and other minorities he concludes with a suspenseful never before told story of the atomic bombing of nagasaki based on interviews with the men who flew the mission that ended the war

a comprehensive review of world war ii that offers a global level analysis written for academics and students of history world war ii in global perspective 1931 1953 presents a dynamic and global account of the historical events prior to during and after world war ii the author a noted expert on the topic explores the main theaters of the war and discusses the connections between them he also examines the impact of the war on areas of the world that are often neglected in historical accounts including latin america sub saharan africa and the so called neutral countries this comprehensive text clearly shows how in the struggle against the axis powers the united states replaced britain as the global superpower the author discusses the japanese invasion of manchuria in 1931 and the korean war 1950 1953 and argues that the core years of the war 1939 1945 cannot be understood without considering the turbulent events that framed them the text puts world war ii in context as a series of large regional conflicts that intersected and overlapped finally emerging as a genuine world war with the formal entry of the united states in late 1941 this vital text offers a comprehensive review of world war ii that frames it in a global context gives weight to the economic and political developments of the war provides a robust account of the main military campaigns contains illustrations and maps that themselves highlight little known aspects of the global war

unconditional defeat the second book in a pacific war trilogy that is part of sr books total war series examines the concluding stages of world war ii in asia and the pacific from november 1943 until september 1945 thomas w zeiler argues that this war without mercy could only come to one conclusion the complete unconditional defeat of japan by a mobilized overwhelming vengeful united states zeiler describes these final 22 months of the pacific war as a story of contrasts while the u s launched a methodical smothering attack with all the means at its disposal japan fought a fierce yet hopeless defense with diminishing supplies by november 1943 japan lacked the necessities not just for victory as in the earlier phases of the war but for adequate defense the japanese had no options the strategic planning rested with the americans zeiler s gripping and thorough overview

discusses other contrasts between the two foes the americans planned multiple advances in the pacific ocean and on the asian mainland they used a massive number of troops devised and adopted new amphibious techniques and deployed the new nuclear category of weapons the japanese stubbornly but desperately clung to their territory often with the basest of defenses by august 1945 the united states forces at sea on land and in the air had brought japan near complete defeat in addition the japanese empire was diplomatically isolated japanese politics was in turmoil the government faced rebellion and the emperor stood on the brink of extinction wracked by the destruction of the homeland from the air and blockade by sea japanese society veered near chaos and the people peered into the abyss of an uncertain future in the meantime america s military had experienced such horrors at the hands of japan that the u s made the difficult decision to unleash the atomic bomb despite the stark differences between the u s and japan argues zeiler there was one aspect of the war that both sides held i
