a stunning collection of photographs documenting the railways in canada one of the most scenic parts of the world

in the turbulent decade which produced the Canadian Confederation of 1867 a group of seasoned veterans of the American Civil War turned their attention to the conquest of Canada they were Irish American revolutionaries unique because they fought under their own flag they were known as the Fenians and they believed that the first step on the road to the liberation of Ireland was to invade Canada the last invasion of Canada vividly recaptures the drama of the decade it recounts the fledgling nation's rag tag but patriotic defence against an enemy committed to a glorious cause but with only scattered resources it is a story of courage espionage and petty crime and of mismatched motivations and goals

although a history of protest politics has done so much to define Western Canada and to place it outside the Canadian mainstream the aspirations and frustrations that animated Western discontent over the years have been replaced by a new reality the West is in and many of the levers of national economic and political power rest in Western Canadian hands the protest tradition has yielded a dynamic region that leads rather than reacts to national economic social and political change the westward shift of the Canadian economy and demography is likely to be an enduring structural change that reflects and is reinforced by the transformation of the continental and global economies at the same time Western Canada faces major challenges including finding a place for a sustainable resource economy in a rapidly changing global environment establishing a full and modern partnership with Aboriginal peoples and creating urban environments that will attract and retain human capital none of these challenges are unique to the West but they all play out with great force and great immediacy in Western Canada
