native peoples of north america still face an uncertain future due to their unstable political legal and economic positions views of their predicament continue to be dominated by non indian writers in response a dozen native american writers here reclaim their rightful role as influential voices in debates about native communities these scholars examine crucial issues of politics law and religion in the context of ongoing native american resistance to the dominant culture they particularly show how the writings of vine deloria jr have shaped and challenged american indian scholarship in these areas since 1960s they provide key insights into deloria s thought while introducing some critical issues confronting native nations collectively these essays take up four important themes indigenous societies as the embodiment

of cultures of resistance legal resistance to western oppression against indigenous nations contemporary native religious practices and native intellectual challenges to academia essays address indigenous perspectives on topics usually treated by non indians such as role of women in indian society the importance of sacred sites to american indian religious identity and relationship of native language to indigenous autonomy a closing essay by deloria in vintage form reminds native americans of their responsibilities and obligations to one another and to past and future generations this book argues for renewed cultivation of a native american studies that is more indian centered

selection of papers on the status of eeo in the nz workplace

as this book reveals professional generals viewed the war as a military problem requiring battlefield solutions while appointees and president lincoln focused more emphatically on the broader political contours of the struggle the resulting friction often eroded northern morale and damaged the north s war effort goss challenges the traditional idea that success was measured only on the battlefield by demonstrating significant links between military success and the achievement of the union s political objectives examining commanders like benjamin butler nathaniel banks john mcclellan and john fremont and franz sigel goss shows how many filled vital functions by raising troops boosting homefront morale securing national support for the war and sometimes even achieving significant success on the battlefield
