jesus disciplined the twelve and the seventy through a unique method which seems to be missing in the church and bible seminaries today twenty first century christians equate discipleship and equipping the saints with accumulating knowledge through bible study but our lord jesus christ was more action oriented practical and his disciples learned by doing as he did he had them listen to him and observed after which they were sent out to preach the kingdom heal the sick baptize new believers john 3 22 4 1 2 cast out demons albeit not always successfully matthew 17 14 21 and jesus used those opportunities to teach them even more he said follow me and for three years they had hands on ministry training a normal disciple of jesus must not only know the scriptures but must be taught on how to apply the word of god and get results many are aware that jesus said those that believe in him shall lay hands on the sick and they shall recover but several believers don t know how to go about it to see the desired results this book is written to give readers a clear easy to follow roadmap on how to minister christ to others being it through personal evangelism healing the sick administering inner healing for the broken heart preparing and preaching sermon discipleship church planting and much more the truth of this book has been tried in tested for years in my ministry and in the ministry of

we face today acts 6 14 says now in those days when the number of the disciples was multiplying there arose a complaint against the hebrews by the hellenists because their widows were neglected in the daily distribution then the twelve summoned the multitude of the disciples and said it is not desirable that we should leave the word of god and serve tables read this as doing manual labor therefore brethren seek out from among you seven men of good reputation full of the holy spirit and wisdom whom we may appoint over this business the manual labor but we will give ourselves continually to prayer and to the ministry of the word it was even bringing strife to the local body what did they do and what was the result the first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the holy spirit and appointed them to do practical ministerial duties the manual labor this freed up the apostles so they could minister the word of god wow gods way is so simple and our grandiose plans just waste time and get nothing done pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes gods church this manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them
