when the enemy comes in like a flood the spirit of the lord will lift up a standard against him jesus is the perfect standard many christians can no doubt attest to that truth they can acknowledge that he rescued them from transgression and eternal damnation but is that the ultimate purpose for us are we only the lost ones whom he came to seek and save is there a greater goal that he has for us than the get out of hell free concept that some encourage the aim of the standard is to pull together the pieces that show that his purpose for us is far greater it explores the dynamic that what humanity was created for and is being called into in renewed relationship with god is deep rich and impactful just like jesus was when he walked the planet

properties of feelings is a read beyond comprehension into the unknown shadows of the universe being beyond strength and imagination i cannot explain it further this author has seen the best of the world it bleeds is the strength and commitment of this book believing is the end of everything is the statement of this book how can i survive is the question this book attempts to solve now i will tell you to look no further if you are exploring the universe and in search of answers to the impossible why can t i believe is the question we most often ask in a universe that says the answers aren t there keep trying and if you think the answers aren t there ask again ever wonder where your feelings come from i cannot explain it but your feelings are real and the universe will support this idea it isn t the idea that you are real it is the idea that feelings make it so belief is supported through strength and courage and conviction heart is everything in a world of plenty life begins and ends on a notation that sings politics is everything to a philosophy that ordains it now i must excuse this book as far as i can tell it believes in something called the notation but enough about that if you believe in something you believe in your feelings ask more about them and you will find them in this book properties of feelings is a manuscript that feels
