tv news photographer lilly hawkins is on the biggest assignment of her career a deadly wildfire is racing through the california mountains toward the town of

elizabeth lake after barely slipping in ahead of road closures lilly has her hands full photographing the massive evacuation and approaching inferno she has no time to cover the accidental drowning of a reckless party girl in the lake until she learns the victim s name when lilly knew her thirteen years ago jessica egan was a principled environmental activist and not a bit reckless or wild could she have changed that much or is a killer exploiting the chaos surrounding the fire to disguise a murder soon lilly s juggling the story she should be covering with the story she can t let go what could have been the motive for jessica s death was it sexual jealousy long held grudges or just plain old fashioned greed that got jessica killed meanwhile lily has to contend with her station s low budget technology the antics of her dodgy uncle bud and the alarming job offers her boyfriend is fielding from big city competitors lilly is racing against the clock to get answers if only the murderer or the fire doesn t get her first

hot and bothered removes the shame disdain and mystery that s surrounded menopause an informative entertaining and desperately needed book jen sincero author of you are a badass when jancee dunn hit her mid forties she was bombarded by seemingly random symptoms rampant insomnia spring loaded nerves weirdly dry mouth and rio grande level periods after going to multiple doctors who ran test after fruitless test she was surprised to finally discover the culprit perimenopause for more than two decades jancee had been reporting on mental and physical health so if she was unprepared for this what about all the women who don t write about health for a living hot and bothered is the book she wishes existed as she was scrambling for information an empowering research based guide on how women can tackle this new stage of life menopause isn t a disease but a natural normal life transition why then are we still speaking in whispers about something that affects half the earth s population through in depth interviews with renowned menopause experts and trusted authorities dunn peels back the layers on this still mystifying topic with her trademark humor and unpacks the science on both hormonal and nonhormonal treatments she provides actionable ways to improve sleep sex moods mental clarity and skin details the latest treatments for hot flashes and explores the best practices to stop peezing that would be peeing when you sneeze thanks to your new urinary issues dunn s clear easy to follow advice will help you reclaim yourself and fully embrace life s next chapter

meaning and moral order goes beyond classical neoclassical and poststructural

theories of culture in its attempt to move away from problems of meaning to a more objective concept of culture innovative controversial challenging it will compel scholars to rethink many of the assumptions on which the study of ideology ritual religion science and culture have been based

structural transformations in the international economy and the restructuring of work have made the transition from education to employment increasingly problematic school to work pathways have become more socially segmented and the risk of under employment and joblessness has increased for both vocationally and academically educated youth continuous passages have become less common and have given way to multiple entries and exits between schooling and working under employment unemployment and domestic work this edited volume of empirical studies is based on a series of comparable longitudinal research projects which draw on survey and biographical data from important players in the international economy the usa great britain canada and germany the studies document that social and gender inequality is a persistent structural feature that restricts the possibilities to take advantage of educational opportunities and career options furthermore different institutional arrangements are shown to play a crucial role in distributing transition opportunities in a more equal way

data from a post occupancy evaluation poe of 912 work stations with lighting power density lpd photometric and occupant response measures were examined in a detailed second level analysis seven types of lighting systems were identified with different combinations of direct and indirect ambient lighting and task lighting and daylight the mean illuminances with body shadow at the primary task location were within the ies target values for office tasks with a range of mean illuminances from 32 to 75 fc depending on the lighting system the median lpd was about 2.36 w/sq ft with about one third the work stations having lpd s at or below 2.0 w/sq ft although a majority of the occupants 69 were satisfied about their lighting the highest percentage of those expressing dissatisfaction 37 with lighting had an indirect fluorescent furniture mounted iffm system the negative reaction of so many people to the iffm system suggests that the combination of task lighting with an indirect ambient lighting system had an important influence on lighting satisfaction even though task illuminances tended to be higher with the iffm system concepts of lighting quality visual health and control were explored as well as average luminance to explain the negative reactions to the combination of indirect lighting

with furniture mounted lighting
