this study explores numerous depictions of crowd violence literal and figurative found in american modernist fiction and shows the ways crowd violence is used as a literary trope to examine issues of racial gender national and class identity during this period modernist writers consistently employ scenes and images of crowd violence to show the ways such violence is used to define and enforce individual identity in american culture james weldon johnson william faulkner richard wright ernest hemingway f scott fitzgerald and john steinbeck for example depict numerous individuals as victims of crowd violence and other crowd pressures typically because they have transgressed against normative

social standards especially important is the way that racially motivated lynching and the representation of such lynchings in african american literature and culture becomes a noteworthy focus of canonical modernist fiction composed by white authors

american literature lynching and the spectator in the crowd spectacular violence examines spectatorship in american literature at the turn of the twentieth century focusing on texts by theodore dreiser miriam michelson irvin s cobb and paul laurence dunbar the spectator functions as a lens through which we view the relationship between violence and social change as depicted in the politically charged crowds of fictional lynch mob scenes that expose the central tension of american democracy the struggle for balance between the rights of the individual and the demands of the community this has played out in american fiction through clashes between crowds and the primarily rural images that have so often been used to describe america while this pastoral vision of america has dominated the study of american literature this book argues for a reassessment of fiction that takes into consideration that the way the country defines itself collectively is as significant as the way its people define themselves individually this study distinguishes itself from others by bringing together journalism crowds lynching spectatorship and literature in new and innovative ways that uncover how american literature at the turn of the twentieth century confronted and pushed beyond passive observation and static visual performances which are traditionally associated with the terms spectator and spectacle the crowds in fictional lynch mob scenes clash with the idea of positive collective action because the crowd s vigilantism defies legitimate legal and democratic processes lynch mobs in contrast to other crowds like strikes or political rallies do not reclaim the democratic process from the control of the powerful and wealthy but rather oppose those practices violently without regard to justice as a figure who is simultaneously within and outside the crowd the spectator often in the form of a reporter character is in a unique position to express the fractures occurring between the individual and the collective in american society racial conflicts are a key aspect of the crowd scenes examined american writers contended with these issues by using the spectator to observe question and challenge readers to consider the impact on the structure of american society

crowds presents several layers of meditation on the phenomenon of collectivities from the scholarly to the personal it is the most comprehensive cross disciplinary publication on crowds in modernity for more information visit shl.stanford.edu/crowds

here professor rogers looks at the role and character of crowds in georgian politics and examines why the topsy turvy interventions of the jacobite era gave way to the more disciplined parades of hanoverian england

the impact of war on american society has been extensive throughout our nation s history war has transformed economic patterns government policy public sentiments social trends and cultural expression sage reference is proud to announce the

encyclopedia of war and american society this encyclopedia is a comprehensive highly credentialed multidisciplinary historical work that examines the numerous ways wars affect societies the three volumes cover a wide range of general thematic categories issues and topics that address not only the geopolitical effects of war but also show how the u s engagement in national and international conflicts has affected the social and cultural arena key features explores and analyzes three types of effects of war direct effects interactive relationships and indirect effects to illustrate the range of connections between war and american society probes the correlations between our wartime expeditions and the experiences of the greater american society not limited to just the war years but also demonstrates how the wartime event impacted society after the conflicts ended offers readers a host of documents including passages from letters diaries autobiographies official documents novels poems songs and cartoons as well as images graphs and a number of tables of relevant data surveys and public opinion polls to extend their research capabilities concentrates mostly on the last 100 years to give more coverage on this often neglected wartime era key themes arts and culture civil military relations economy and labor education both military and civilian environment and health journalism and media law and justice military leaders and figures planning command and control race gender and ethnicity religion science and technology veterans issues and experiences the wars themselves and their civilian and military leaders the encyclopedia of war and american society is a must have reference for all academic libraries as well as a welcome addition to any social science reference collection

click additional materials for downloadable materials and samples incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic essential for all readerships choice a timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry robert d putnam professor at harvard university and author of bowling alone with every passing minute it becomes more and more apparent that our world is one community the encyclopedia of community serves as recognition of this trend and as a needed resource the four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries sarah ann long past president 1999 2000 american library association as we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities the encyclopedia of community provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities the encyclopedia deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children nancy kranich past president of the american library association whose presidential theme was libraries the

cornerstone of democracy 2000 2001 american politicians often pair the word community with the word freedom to describe our basic values yet though used constantly the word community is defined in widely different and contested ways most people like the idea of community but some intellectuals worry that it might imply collectivism the great value of this new encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake it is a major contribution to a more coherent understanding of this fundamental idea robert bellah professor of sociology emeritus university of california berkeley and co author of habits of the heart sage publications is proud to announce the encyclopedia of community a major reference work that summarizes the many fascinating and important concepts of a global topic community itself is a concept an experience and a central part of being human whether the reader is a student researcher or professional in the field of psychology sociology or even economics this three volume work will provide the necessary definitions of community beyond traditional views arranged in an a to z fashion the encyclopedia can also be viewed topically via a reader s guide this allows for interdisciplinary compare and contrast among topics such as types of communities social capital technology urban life politics and law community design and global studies edited by the award winning team at berkshire reference and assisted by an editorial board of world renowned scholars the encyclopedia of community will prove to be one of the most widely used reference works in your collection key features 500 signed articles 3 volumes 2000 pages reader s guide master bibliography 250 sidebars appendices resource guides master bibliography libraries build community libraries and popular culture
