aquarius love career health romance and sex horoscope 2020 what does astrology have to say about aquarius in 2020 detailed overview with monthly readings broken into life money romance health love and marriage career and key days you are happy to put things on the backburner as you are less driven and focused on yourself you appreciate the softer side of life and avoid confrontation however deeper down you grapple with self doubt and your emotions are turbulent and it often projects into family life shattering the very peace you seek career wise it may be time a time or wrapping up and wondering what is next and yet it is not a time to jump on a whole new bandwagon it is a good time to step out of the rat race and consider your next move carefully and whether it is a true reflection of where you want to be and who you want to be new friends are often key to new patterns of thinking and may play a pivotal role in the unfoldment of a new direction in life that you are embarking on there is a lot of love in the air and yet the freeway of love has a few traffic jams as you are quite conflicted and often need to withdraw and sort through self doubt and even paranoia you need periods of seclusion in conjunction with periods of social activity as there will be many dilemmas only you can figure out and you need a quite headspace to do that and to tackle the emotions that suddenly take you by surprise sudden events in home and family life reflect deeper inconsistencies or frustration which have repressed emotionally and now you have a golden opportunity to mull over and resolve these and move into a new chapter with a clean slate and pure understanding of what you need from work and relationships you are very intuitive and perceptive in 2020 and yet often this confuses you until you can get to grips with deeply buried issues fears and anxieties

we are at the threshold of a transitional period from the age of pisces to the age of aquarius what should we expect from this coming new era what are its signs what is the fate of human spirituality what will the new concepts of god and of religion be this book attempts to answer these questions based on well researched sources complemented and endorsed by cosmology archeology psychology religion near east studies and mythology among other scientific disciplines the book also intends to clarify the confusion created by some protestant religious leaders and sensationalistic writers who have misinterpreted the signs of the transitional period as the end of the world the truth is that we are witnessing a shift of ages that is the slow evolution from the piscean era to the commencing of a new worldwide social order a new chapter in human history called the aquarian dispensation the huge conspiracy propounded by false prophets and some new age writers whether overtly or covertly feeds the fear and anxiety of

ordinary people with unfounded apocalyptic propaganda this book attempts to give the reader an accurate perspective regarding the planetary transformations that are taking place it offers hope and inspiration as we approach the golden age
