richmond lattimore one of the most distinguished living translators of greek has in this book completed his rendering of the new testament in fresh and accurate english for the modern reader the publication of his translation of the four gospels and the revelation in 1979 was hailed by the new york times book review as an achievement that places us more deeply in lattimore s debt than any other in a long diligent career the acts of the apostles which he calls the earliest consecutive story of early christianity that we have and the three groups of letters of the apostles those of saint paul the letter to the hebrews and the general letters are now made available to complete the new testament in his translation his aim again has been to provide a simple literal rendering in which the syntax and order of the greek dictate the character of the english style lattimore as an authority on the greek language in which these texts have come down to us and as a writer without pretensions as a biblical scholar allows the words of the apostles and earliest disciples to speak for themselves with accuracy and fidelity to the greek the book s design follows the attractive and readable format of the four gospels and avoids the usual apparatus of biblical texts

dr gao finds the best provisions and practices in respect of the fraud rule in the united states the united kingdom canada and australia and applies these standards to the reformulation of the fraud rule in the prc in the process he surveys the entire field of the fraud rule in the law of letters of credit in its substantive aspects thus going deeper than mere banking law analyses and

revealing for the benefit of jurists everywhere the fundamental legal issues that must underlie all sound judicial reasoning in the area in more practical terms this approach also allows judges to meet their essential responsibility that of giving an answer when a case is put before them with the widest and best possible degree of discernment book jacket
