popular mechanics inspires instructs and influences readers to help them master the modern world whether it s practical diy home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science pm is the ultimate guide to our high tech lifestyle

organizational behavior eighth edition continues in its tradition of being an up to date

relevant and user driven textbook kreitner and kinicki s approach to organizational behavior is based on the authors belief that reading a comprehensive textbook is hard work but that the process should be interesting and sometimes fun thus they consistently attempt to find a way to make complex ideas understandable through clear and concise explanations contemporary examples a visually appealing photo art program and or learning exercises with every edition the authors make every effort to respond to user feedback and ensure the text covers the very latest ob research and practices the cover again depicts the well known wolf brand but this time with a black and white illustration of two wolves this remains a central theme because kreitner and kinicki see wolves as an instructive and inspiring metaphor for modern organizational behavior wolves are dedicated team players great communicators and adaptable these are key success attributes in today s workplace

this book is written from the perspective of a practising company lawyer and is principally concerned with two broad duties owed by directors of british and australian companies to act honestly in good faith and for proper purposes and to exercise care and diligence public attitudes towards directors have altered since the mid 1980s and the business community has raised its expectations of directors in response to this shift in public feeling parliament and the judiciary are adopting a new approach to directors duties widening the scope of duties imposed on directors and encouraging a more rigorous approach to corporate governance directors duties analyses this new approach with reference to recent english and australian case law and explores the courts attempts to deal with the myriad of competing interests found within the morass of legal rules equitable principles and statutory enactment which comprise modern company law in examining the latest case law and legislation the author addresses some of the more contentious and controversial issues which directors in the 21st century will need to confront in order to properly discharge the legal equitable and statutory requirements of their office the subject of directors duties is of considerable theoretical and practical importance from economic political as well as social perspectives this unique and important work will be of great value to all lawyers policymakers academics and researchers working in this complex and rapidly changing field of the law
