explores the rough and tumble world of frontier justice texas style

this book is the first comprehensive study of pakistan s inter services intelligence directorate isi the rise of pakistan backed religious extremist groups in afghanistan india and central asia has focused international attention on pakistan s premier intelligence organization and covert action advocate the inter services intelligence directorate or isi while isi is regarded as one of the most powerful government agencies in pakistan today surprisingly little has been written about it from an academic perspective this book addresses critical gaps in our understanding of this agency including its domestic security mission covert backing of the afghan taliban and its links to al qa ida using primary source materials including declassified intelligence and diplomatic reporting press reports and memoirs this book explores

how isi was transformed from a small negligible counter intelligence outfit of the late 1940s into the national security behemoth of today with extensive responsibilities in domestic security political interference and covert action this study concludes that reforming or even eliminating isi will be fundamental if pakistan is to successfully transition from an army run national security state to a stable democratic society that enjoys peaceful relations with its neighbours this book will be of interest to students of intelligence studies south asian politics foreign policy and international security in general

in emotional expressionism television seriality the melodramatic mode and socioemotionality e deidre pribram examines emotions as social relations through the lens of dramatic television serials as contemporary melodrama she develops the concept of socioemotionality addressing sociocultural forms of felt experience and exploring the role of emotions in forging narrative worlds through detailed analyses of serials like killing eve how to get away with murder and the marvelous mrs maisel pribram argues that the prominent role emotions play in popular mediated narratives demonstrates the crucial impact of collective emotions activated through aesthetic attributes on cultural storytelling scholars of television communication media and cultural studies will find this book of particular relevance

while television has always played a role in recording and curating history shaping cultural memory and influencing public sentiment the changing nature of the medium in the post network era finds viewers experiencing and participating in this process in new ways they skim through commercials live tweet press conferences and award shows and tune into reality shows to escape reality this new era defined by the heightened anxiety and fear ushered in by 9 11 has been documented by our media consumption production and reaction in small screen big feels melissa ames asserts that tv has been instrumental in cultivating a shared memory of emotionally charged events unfolding in the united states since september 11 2001 she analyzes specific shows and genres to illustrate the ways in which cultural fears are embedded into our entertainment in series such as the walking dead and lost or critiqued through programs like the daily show in the final section of the book ames provides three audience studies that showcase how viewers consume and circulate emotions in the post network era analyses of live tweets from shonda rhimes s drama how to get away with murder 2010 2020 abc s reality franchises the bachelor 2002 present and the bachelorette 2003 present and political coverage of the 2016 presidential debates though film has been closely studied through the lens of affect theory little research has been done to apply the same methods to television engaging an impressively wide range of texts genres media and formats ames offers a trenchant analysis of how televisual programming in the united states responded to and reinforced a cultural climate grounded in fear and anxiety
