the bangladesh experience shows that adaptation to climate change needs to be seen in conjunction with existing and changing weather patterns natural hazards and the natural resources systems moreover adaptation to climate change has next to the physical and technical content a socio economic dimension in relation to the many societal and economic aspects of water resources and climate change adaptation in terms of strategy making and implementation is thus embedded in a countries society with its traditions technologies governance and policies this means that adaptation strategy making and implementation while focusing on the physical system and use of technologies are primarily cultural processes characterized by a struggle for meaning in uncertainty sense making and sense giving to define the issues and challenges and formulate strategies thinking about appropriate measures taking action and managing transformation besides the power related aspects of negotiation and decision making including budget allocation for investments are evident as well the bdp 2100 is a strategic plan with many techno economic analyses choices and proposals while it is basically an expression of the politics of culture de heer 2009 2013

over the last half century china has evolved from a poor rural country to a geopolitical powerhouse rapid urbanization has been at the heart of that transformation and as migrant laborers have left their villages what has become of the rural communities that were once the center of economic social and cultural life and how do contemporary chinese scholars understand those changes these are the questions that this compelling book answers lengshuigou village located near the shandong provincial capital of jinan was first studied by japanese social scientists in the early 1940s and then again in the 1980s and 1990s building on these rich surveys this book traces changes from the early twentieth century to the present day in family and lineage social stratification personal networks annual and life

cycle rituals village politics and elite formation drawing on their own large scale survey of contemporary village households the authors analyze the physical and institutional changes that have altered the community as well as the shifts in interpersonal relations and attitudes that have upended centuries old systems of patriarchy and generational order this important book presents for the first time in english analysis by chinese sociologists on the radical transformation of chinese rural society
