Snow Jonathan Swift

this book has a simple message for business leaders you help yourselves by helping the poor instead of feeling as if the economy is working against them the poor need to feel they have a stake in it so they will buy your products and put money in the bank supporting poor people s efforts to move into the middle class is the only way to enrich everyone rich and poor alike

the focus in this book is on poverty alleviation in two relatively underdeveloped areas in asia namely bangladesh and west bengal in india

this catechism is divided into three parts the first part treats of faith the second of morals the third of the means of grace in the first part our lord appears in his character of teacher in the second in his character of king and in the third in his character of high priest and since this catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many this catechism is in fact nothing more nor less than an abstract of our lord s teaching and may be called a guide book for the christian on the road to heaven preface
