the inside track on how to beat the logic puzzle job interview as if job interviews weren't nerve

wracking enough many companies in their pursuit of the brightest and best have begun beleaguering applicants with tests of logic creativity and analytical abilities many firms have replaced traditional interview questions such as tell us about yourself or what is your biggest weakness with mind benders such as why are beer cans tapered at both ends how many piano tuners are there in the world how many ping pong balls can you stuff into a boeing 747 how would you design a bathroom for the ceo of the company if you could remove any one of the 50 u s states which one would it be in how to ace the brain teaser interview bestselling careers author john kador gives readers the inside track on this new interview technique he provides 75 puzzles actually used by hr departments across the nation and he offers tips on how to solve them and present the solutions so as to make the best possible impression

as if job interviews weren't intimidating enough a number of the most desirable companies are raising the ante instead of tell us about yourself or what is your biggest weakness applicants are confronted by challenges such as why are beer cans tapered on the ends how many piano tuners are there in the world how many ping pong balls can you stuff into a boeing 747 design a bathroom for the ceo of the company if you could remove any one of the 50 us states which would you select and why what are the interviewers looking for in general they want insights into how you think and how creative you are can you articulate a problem in a creative way can you shift your point of view so you think outside the box can you outline a logical procedure for estimating an answer can you defend the answer against objections only by evaluating your responses will the interviewer be able to determine what sets you apart from the rest and perhaps more importantly how well you respond to unusual or unexpected business situations acing such interviews requires a new mindset it's not about right and wrong the obvious answers are generally the least desirable and generally wrong today success requires outrageous mental leaps enormous confidence and taking risks these are the challenges that the best companies use to separate the best from the good can you measure up and make the cut this book will help you this book is a how to for job applicants who want to be prepared for a line of think on your feet creativity stumpers currently in vogue by a number of companies determined to select the best employees in today's incredibly competitive job market a number of articles books and broadcasts indicate that many employers in search of the right stuff are throwing out traditional questions in favor of problem solving queries their goal is to seek out talented individuals who are not only smart but can think on their feet kador takes an in depth look at the variety of

challenges an applicant can expect to be asked in addition to offering proven strategies for knocking them out of the park the main part of the book will give readers the inside track on the most popular such questions and what interviewers are looking for a section of the book will allow readers to test their creativity against a set of new brain teasers and off the wall questions

tell me about a time the words evoke a child s fairy tale innocence yet when used by an interviewer they can help to determine the suitability of a job candidate by eliciting real world examples of behaviors and experience that can save you and your organization from making a bad hiring decision high impact interview questions shows you how to use competency based behavioral interviewing methods that will uncover truly relevant and useful information by having applicants describe specific situations from their own experience during previous jobs rather than asking them hypothetical questions about what would you do if you ll be able to identify specific strengths and weaknesses that will tell you if you ve found the right person for the job but developing such behavior based questions can be time consuming and difficult high impact interview questions saves you both time and effort the book contains 701 questions you ll be able to use or adapt for your own needs matched to 62 in demand skills such as customer focus motivation initiative adaptability teamwork and more it allows you to move immediately to the particular skills you want to measure and quickly find just the right tough but necessary questions to ask during an interview asking behavior based questions is by far the best way to discover crucial details about job candidates high impact interview questions gives you the tools and guidance you need to gather this important information before you hire

here are insider secrets of passing a behavioral interview alongside over a hundred questions with tips to answer and sample answers including those of twelve global mncs employing a behavior based answers format based on the competencies you value and hold dear will give you greater confidence in your abilities to present your talent which in turn will result in stronger likes to interviewers which in turn further strengthens your chance to be hired read this book and never lose a dream job as you would be fit to handle the role
