why should one be a christian is there something more to being a christian than to being human just what does it mean to be a christian especially in today s modern world hans küng one of the greatest theologians

of this century ponders these questions and from a lifetime of study suggests the answers he looks carefully at the evidence in the bible at the challenges of modern humanisms and of the world religions at the questions concerning death at the local and the universal church at the individual s own personal decisions and at the freedom that christianity brings including the freedom to serve on being a christian is a vital and important statement about what it means to be a christian hans küng has himself said of the book which he regards as his magnum opus that it intends to clarify and challenge christian faith and life at a time when the churches have unfortunately lost rather than gained in credibility it seeks to bring to light for this present time the original christian message and particularly the figure of jesus of nazareth the book continues to offer a strong message to today s christians as küng says in the closing of the book by following jesus christ people in the world today can live act suffer and die in a truly human way in happiness and unhappiness life and death sustained by god and helpful to fellow men and women

what does it mean to be a christian the gospel of jesus christ is the best news in history but we often live as though it has minimal impact on our lives being a christian isn t just about sunday mornings small groups and studying the bible the good news is that jesus redeems everything in the bible we read story after story of people meeting god and walking away completely changed the same is true for christians today being a christian by dr jason allen shows how jesus redeems all of life useful for new and mature believers small group and personal study being a christian walks readers through the gospel s impact on all facets of life from your relationships to your resources from your work to your rest from your past to your future

to be a christian by j i packer and lane dennis what does it mean to be a christian what is essential for christian faith and life how can we know jesus christ and experience the full love of god through him how can you become a child of god anchored in the full reality of unquenchable joy beginning in this life and ever increasing in the life to come it is possible to know about these things however without actually

knowing them personally in one's life in order not to miss what God is offering you it is imperative that you receive Jesus Christ as your own savior and lord if you have not already done so and commit yourself to him to be his life long disciple there is no more important thing in life that you could ever do both for the sake of this life and immeasurably more for the life to come and when you have received Jesus Christ as your own savior and lord to know that you have done it so that you can go on from there knowing the fullness of joy as a child of God both now and forever to be a Christian is a lifelong personal commitment to Jesus Christ but it begins with becoming a Christian in a deliberate conscious way much like being a spouse begins with taking marriage vows being a Christian is a process of advance from that point as you continue with Christ with his Father as your heavenly Father his Holy Spirit as your helper and guide and his church as your new family you will constantly be led deeper into your born again calling of worship service and Christ like relationships you need to know from the beginning that God creates human beings for the purpose of knowing him loving him and enjoying a deep friendship with him but no one naturally fulfills this purpose we are all out of step with God in the words of the Bible we are sinners guilty before God and separated from him Romans 3:23 life in Christ is first and foremost God's taking living action to remedy our dire situation Romans 5:8 the key facts of this divine remedy which the Bible calls the gospel meaning good news are these 1 God the Father sent his eternal Son into this world to reconcile us sinners to himself and to preserve and prepare us for his glory in the life to come 2 born of the Virgin Mary through the Holy Spirit God's Son whose human name is Jesus lived a perfect life died a criminal's death as a sacrifice for your sins and rose again from the grave to rule as Christ meaning the anointed one reigning on his Father's behalf in the kingdom of God 3 reigning now in heaven Jesus continues to draw sinners to himself through the communication of the gospel here on earth 4 by the Holy Spirit God enables us to turn wholeheartedly from our sinful and self-centered ways repentance and to entrust ourselves to him to live in union and communion with God faith our natural condition could not be more desperate and urgent in spiritual terms our sin and self-centeredness is the way of death and fellowship with Christ is the way of life now and forever as the apostle Peter said when he proclaimed the gospel on Pentecost morning repent and be baptized every one of you in the name of Jesus Christ for the forgiveness of your sins and you will receive the gift of the Holy Spirit for the promise is for you and for your children and for all who are far off everyone whom the Lord our God calls to himself Acts 2:38 39 God the Father calls us to himself through his Son Jesus said I am the way and the truth and the life no one comes to the Father except through me John 4:16 as we

come to the father through jesus christ his son we experience and know and grow in the unconditional and transforming love of god god the son calls us to believe in him we may understand a great deal about jesus but that is not the same as personally believing in jesus as our lord and savior we can attend church services and do many good things without knowing the risen jesus knowing jesus as savior and lord means personally believing in him surrendering our lives to him and living as his joyful followers god the holy spirit enlightens our minds and hearts to believe in jesus giving us spiritual birth and life as we believe and trust in him our loving father will give the holy spirit to those who ask him luke 11 13 as we place our faith in jesus the holy spirit comes to live in us and wonderfully provides us with the power and gifts for life and ministry as jesus disciples to live faithfully as christians we must rely upon the equipping and enabling power of the holy spirit in a way beyond our grasp the father the son and the holy spirit are revealed as equally one god and three persons the father the son and the holy spirit are near to us at all times and will hear us whenever we pray with sincerity truly meaning what we say god calls us to enter into continual repentance and faith in christ and the way to enter into life in christ today and forever is to pray a prayer like this preferably in the presence of a mature christian lord jesus christ i confess my faults shortcomings sins and rebellious acts and ask you to forgive me i embrace you lord jesus as my savior and lord thank you for your atoning death on the cross in obedience to your father s will to wash away my sins i enthrone you lord jesus to be in charge of every part of my life and i ask you to indwell and empower me with your holy spirit so that i may live as your faithful follower from now on in this life and forever with you in heaven in jesus name i pray these words with all my heart and soul amen if you have prayed the prayer above to be a christian we would encourage you to visit the goodnews org website where you can read the bible free and find many helpful materials for your new life as a christian excerpted from to be a christian an anglican catechism used by permission of the anglican church in north america

joseph ratzinger now pope benedict xvi writes eloquently and persuasively about how one can live as a serious christian in today s secular world he talks in depth about the true meaning of faith hope and love the love of god and the love of neighbor he also discusses at length the crucial importance of a lived faith for the believer himself as well as being a witness for our age and striving to bring faith in line with the present age that has veered off into rampant secularism and materialism he passionately encourages the reader to practice a deep abiding christian faith that seeks to be at the service of humanity as joseph ratzinger mentions in the preface the book presents in written form three sermons that the author

preached in the cathedral at muenster to a congregation from the catholic student chaplaincy december 13 15 1964 in other words these are essays derived from sermons preached to college students toward the end of vatican ii they are remarkable among other reasons for their insights into the ongoing christian struggle to understand and realize in action what it means to be a christian contents first sermon are we saved or job talks with god christianity as advent the unfulfilled promise are we saved the hidden god second sermon faith as service the salvation of christians and the salvation of the world god becomes man man becomes christlike the meaning of salvation history third sermon above all love love is enough why do we need faith the law of superabundance faith hope and love in our generation the christian faith finds itself in a much deeper crisis than at any other time in the past in this situation it is no solution to shut our eyes in fear in the face of pressing problems or to simply pass over them if faith is to survive this age then it must be lived and above all lived in this age and this is possible only if a manifestation of faith is shown to have value for our present day by growing to knowledge and fulfillment pope benedict xvi from the introduction learn more about pope benedict visit the

himself differently to them he god accepts that men have different understandings of his relationship with them and that they may relate with him using what is available to them their culture and tradition
