my purpose in writing this short book is to share my thoughts with my loved ones especially the children in my life i hope these words will be a lasting legacy to my children and grandchildren as they grow up and after i am gone none of these thoughts are original or insightful they are simple truths and ideas but young people seldom take the time to sit down and think about basic things as people like me get older we see young people make mistakes or suffer or destroy relationships and friendships over simple and obvious issues i have often looked back and wished i had made some small things part of my approach much earlier in my life i still often wish i could impart some time gathered wisdom to my children and grandchildren to smooth their path allow them to avoid mistakes and give them a long term perspective in this short term short sighted world this book is my effort to share some of what i have learned these short chapters are not an exhaustive examination of the topics under discussion rather they are straight to the point and simple as a grandfather would make the point to a young person who is not excited about sitting down for a long discussion about meaning of life issues with granddad i hope the young people who read these words will get the gist for those who need more depth hopefully these words will get the discussion started i plan to share this book with my grandkids i hope it will be of interest to them but just as important i hope this book will be read and appreciated by many grandparents who love their grandchildren maybe my words will give them a chance to have a short discussion with their own loved ones they can share all or some of the points as they see fit they can share my thoughts and add to them their own take if they agree with me this may be an easy way to share some truth and advice if they disagree this will be a good place to begin the conversation i pray that once the habit of discussion with their grandchildren is established they can share other thoughts that are important to them god speed frank sanders
