getting hired just got easier you are about to discover everything you need to know about job applications and how to make them work starting on sunday and going through to saturday you will learn the stages of a job application step by step so you build up a picture of what it takes to be successful for many job applicants what goes on behind employers closed doors remains a hidden world but by saturday you will have taught yourself how job applications are processed what employers look for when they make up interview lists and then from the candidates they interview who to shortlist and who to offer the job to after considering what employers want and how you could meet their needs you will be able to formulate a plan for what needs to go into your cv what you need to put in your cover letters and what you need to say about yourself on application forms you will discover how to measure up the competition and how to make sure your name and not someone else's is on the interview list you will also discover the importance of getting the right messages across in interviews and what the right messages are you will learn how to dictate the interview agenda to keep it on familiar territory where the best parts of your application will come out you will learn to handle tough interview questions and to see what's behind them and what answers will impress the interviewer most once you've been shortlisted you'll discover how to steer your application over the last hurdle and get the job offer you want sunday defining the task monday you and the image you present tuesday selection criteria wednesday getting interviews thursday going for interviews friday handling questions saturday getting shortlisted

based on seven years of research this lively handbook examines innovative theories of motivation and new styles of leadership for a generation disenchanted with standard hierarchical roles

unique job hunting advice for the new economy told with personal anecdotes and real stories more like chicken soup for the job seeker than a dry reference manual get a job shows people at any point in their career how to find a job and how to keep that job once they have it the new economy of real 16% unemployment requires job hunters to think like a hiring manager quillen's book alone teaches readers how to do that by providing insights into the thought process of hiring

managers and hr directors because he has been one most of his career using stories and anecdotes throughout all from his 20 years of personal experience and as a very recent job seeker himself his credentials are better than anyone else writing on this subject ten or fifteen years ago a well crafted resume got you interviews and a job but now in the horrific new normal economy where real unemployment is more than 16 you absolutely have to tailor your resume specifically to each job for which you are applying if you don t less qualified candidates will get the interviews and you ll be left out in the cold this is just one part of the new job seeking world that author dan quillen reveals from personal experience laid off in 2011 dan was part of two networking groups their average interviews per resume submitted was something like 5 one in twenty dan s was 24 nearly one in four dan got a job in record time and now he shows readers how to do the same in get a job rather than a cold impersonal litany of things to do get a job is more like sitting down with an old friend who has taken a personal interest in the job seeker s dilemma quillen takes his readers by the hand and guides them through all the critical steps necessary for finding a job today not twenty years ago along the way quillen shares his own personal experiences in finding work in today s difficult economy seen through the lens of his decades of hr experience as a hiring manager and hr director the use of the internet and social media is an important component of this book which is filled with examples from dan s own job hunt featured are copies of his resume reviewed and discussed section by section the job boards he used in his search and how best to use them first steps to take after being laid off the importance of resumes and cover letters overcoming gatekeepers preparing for the interview and how to excel at one temp agencies age related questions and much more dan also provides great strategies on how to keep a job once you ve landed it how to prepare to leave if the job appears to be ending and how to stay positive in a very negative time real examples from dan s search are the hallmark of every chapter every strategy offered to readers

what are employers really looking for it s not what you think more people than ever are applying for the same few jobs surfing job boards and submitting a dozen résumés a day just doesn t work the 6 reasons you ll get the job shows you

exactly how to tailor your pitch and stand out from the crowd so that you get hired talent alone will not get you the job the short list of candidates all have the ability to do the work so what makes the difference whether employers know it or not intuitively they are always looking for a candidate who meets or exceeds each of six qualities presentation ability dependability motivation attitude network these qualities may sound familiar but you ll be surprised at how employers judge them you ll discover how to promote these six qualities to your advantage so employers take notice you ll also learn proven strategies for finding jobs in the hidden market while your competition is still waiting by the phone by mastering a few simple often overlooked techniques you ll get noticed by the person who has the power to hire you now

a new personalized way to find the perfect job while staying calm during the process you are so much more than a resume or job application but how can you communicate that to your potential employer you need to learn to ask the right questions stop using job sites and start doing the work that actually counts based on information gained from over 400 000 individuals who have used these exercises this book reveals career expert dev aujla s tried and tested method for job seekers at every stage of their career filled with anecdotes and advice from professionals ranging from a wilderness guide to an architect it includes quick step exercises that help you avoid the common pitfalls of navigating a modern career whether you ve just decided to start the hunt or you re gearing up for a big interview 50 ways to get a job will keep you poised on track and motivated right up to landing your dream career

sometimes a job search can feel overwhelming especially if you need a job right away it often feels like there is too much to do in a limited time do you always wonder what s the best way to start a job search find companies who want to interview you and get hired this book offers many simple practical steps for job seekers to prepare themselves for the job market and land a dream job it has tips and instructions on how to be competitive in this cut throat world and how to get ahead of the rest of the job seekers out there it also shows the reasons why people still quit their jobs amidst the unemployment rate that

is still evident in all countries most of all this book showcases the reasons why people need a job and how to motivate yourself when you're still looking for a job

what I need most right now is a wife

moving romantic and downright funny a magical read perfect for anyone who's ever made a wish samantha tonge 5 stars what do you do when the one that got away now won't go away in fact he's so determined not to go away that he's literally chained himself to a tree

the ultimate all in one guide to job hunting success getting an edge in the hunt for work is vital and this book offers the edge that millions are missing this no nonsense highly practical and outcome focussed guide to the whole process of job hunting takes you right from the planning stages through writing your cv flying through aptitude tests being interviewed on the phone and online to what to do and say when you finally get the offer you've been hoping for with essential guidance on maximising modern job hunting tools such as social media and networking websites as well as special help for those who are new to work the recently redundant the long term unemployed ex offenders and graduates it's one of the most up to date and all encompassing job hunting books on the market today

no one is coming no one is coming no one is coming to tell you to get out the door and determine what you want where you want to work nobody is coming to tell you to apply for that job that you always dreamt about to work with that company that you know you want to work with do you know what will make your request for an interview more compelling make them say do you know the one move and phase that will make them stop and take notice of you do you have an edge in preparedness in the approach step do you have an edge in preparedness in the interview step do you have an edge in the follow up step if you have answered no to those 3 questions this book is a must have for you if you answered no to the 3

questions in bold print you won't even get consider do you want your own paychecks coming in for part time work hours do you want full time paychecks it's all within reach it all starts with getting started see you on page get started in this book larry randolph

get the job you want is written by an experienced career coach who approaches the task of applying for a new job in an upbeat and positive style offering useful advice on personal issues such as what to wear in an interview how to behave and even what paper to choose for a cv this book answers a lot of questions some might be too shy to ask it also contains information regarding the job search itself and how to ensure you are applying for a job you really want with checklists at the end of each chapter as well as space to make notes in the book the process of applying for jobs is broken down into easy to follow steps that ensure an organised and professional approach to the process
