the beatles north american tours turned the entertainment business on its ear and forever changed the landscape of the concert touring industry in february 1964 after finally achieving a number one hit in america the fab four came to the country with high hopes performing on the wildly popular ed sullivan show in both new york city and miami and playing concerts at carnegie hall and the washington coliseum in just fifteen short days the beatles conquered america the beatles made music entertainment history with their north american tours from 1964 to 1966 some fun tonight the backstage story of how the beatles rocked america the historic tours of 1964 1966 is a comprehensive two volume set which gives you a city by city synopsis of the group s activities as they traveled the united states and canada for their groundbreaking series of concerts from san francisco s cow palace show on august 19 1964 through their last ever live performances at that city s famed candlestick park on august 29 1966 these books cover the music and the madness that characterized the beatles three north american tours with hundreds of photographs and images of rare memorabilia it is truly the definitive reference for what is arguably the most important period in the beatles long and winding career you ll read about the behind the scenes negotiations the mayhem at the airports and hotels and the cheeky quotes delivered at the press conferences you ll also read about the opening acts the concerts and the stories behind the shows through the eyes of the beatles their entourage the promoters the emcees and the fans never before have the beatles north american concerts been covered in

such depth if you witnessed the mania firsthand you'll relive the excitement in the pages of these books if you were born too late to be a part of those halcyon days you'll learn what it was like to be swept up and carried away by the phenomenon of the greatest musical act of all time when all is said and done some fun tonight is a tribute to the fans the first generation and beyond look carefully at the faces of the fans in this book they may be your friends parents grandparents or even you but together they made beatlemania happen fasten your seat belt and enjoy this comprehensive history

a fascinating examination of the enduring popularity of the beatles in the former soviet union by a writer who was there from the beginning including never seen before photographs

british rock modernism 1967 1977 explains how the definitive british rock performers of this epoch aimed not at the youthful rebellion for which they are legendary but at a highly self conscious project of commenting on the business in which they were engaged they did so by ironically appropriating the traditional forms of victorian music hall faulk focuses on the mid to late 1960s when british rock bands who had already achieved commercial prominence began to aspire to aesthetic distinction the book discusses recordings such as the beatles magical mystery tour album the kinks the village green preservation society and the sex pistols never mind the bollocks here's the sex pistols and television films such as the beatles magical mystery tour and the rolling stones rock and roll circus that defined rock's early high art moment faulk argues that these texts disclose the primary strategies by which british rock groups mostly comprised of young working and lower middle class men made their bid for aesthetic merit by sampling music hall sounds the result was a symbolically charged form whose main purpose was to unsettle the hierarchy that set traditional popular culture above the new medium rock groups engaged with the music of the past in order both to demonstrate the comparative vitality of the new form and signify rock's new art status compared to earlier british pop music the book historicizes punk rock as a later development of earlier british rock rather than a rupture unlike earlier groups the sex pistols did not appropriate music hall form in an ironic way but the band and their manager malcolm mclaren were obsessed with the meaning of the past for the present in a distinctly modernist fashion

how the beatles influenced british society and social history in the post war oppressive era when the beatles burst onto the pop scene in 1962 they not only took the music world by storm but they also brought with them a counter culture that was to have far reaching effects with their long hair humour and irreverent attitude towards authority they were a breath of fresh air to a generation who had grown weary of the greyness of the post war years beatlemania was to unleash a revolution against an outdated age the 1950s with its oppressive and authoritarian attitudes was ready for change and young people desperate to escape suburbia with its stifling formality were set to lead that rebellion in politics fashion education the arts religion television women's rights and universities the time had come to challenge the old order and in came the swinging sixties with its more liberal attitudes offering hope of change and a more peaceful and just world the introduction of the contraceptive pill legalized abortion gay rights easier divorce and the relaxing of censorship were all part of this social revolution and it wasn't just in britain the influence of the beatles reverberated across europe and most of all in america where teenagers not only campaigned against a war in vietnam but also for civil rights in their own country this book tells the story of the sixties and how the beatles influence had such an impact on british society it's a social history of britain told by stephen kelly who regularly watched the beatles at the cavern and experienced

first hand the changes that were to take place

some fun tonight the backstage story of how the beatles rocked america
