against the background of the early years of the eighteenth century of the parliamentary turmoil intellectual and religious ferment and profound emotional unease that gripped the british people in the long wake of the glorious revolution of 1688 sheila biddle draws a double portrait of two extraordinary statesmen robert harley earl of oxford and henry st john viscount bolingbroke with delicate psychological precision and a rare gift for the telling detail she makes immediate the profoundly contrasting natures of these two men as they become caught up in the struggle to decide the very future of british politics how

government itself should be carried on not just during their own lifetimes but for future generations harley the old puritan known as the backstairs dragon one of the greatest political managers england has ever seen but unwilling or temperamentally unable to exercise power openly a curiously lovable man famously incorruptible in a flagrantly corruptible age the proponent of a strong monarchy who became a broker committed to maintaining a mixed government of all interests that would not threaten the independence of his queen bolingbroke whom his contemporaries nicknamed mercury and whom jonathan swift called simply the greatest young man i ever saw seventeen years harley s junior a brilliant young aristocrat who became secretary of war when he was only twenty six the finest orator in the house of commons as conspicuous for his public debauchery as harley was for his honesty yet as a high tory who insisted that future politics must run along party lines and who was determined to set a tory ministry that would outlast queen anne and control the new hanoverian kings a friendship of opposites that was the talk of the age but that degenerated into bitter conflict when they came to lead the government in the last four years of queen anne s life years of crisis over a costly war abroad and at home persistent threats of jacobite plots and invasions to overthrow the queen in favor of her catholic half brother years when the power of the monarchy was being hedged in by the rising strength not just of parliament but of whig and tory factions within that parliament years when the issue of who was to direct the policies of the nation became focused in the persons of these two men and destroyed the lives of both this war between two consummate politicians and their irreconcilable philosophies is woven into a narrative skillfully drawn from far reaching historical research from a richness of contemporary accounts from unpublished letters and diaries state papers and intimate family records bolingbroke and harley is a remarkable picture of a pivotal moment in british history from dust jacket

completely reorganized to follow a chronological flow the fourth edition offers new material reflecting recent trends changes and issues in the production operations management market coverage includes international competitiveness ethics strategy tying other functional areas of business to operations service sector and new manufacturing technologies each chapter opens with coaching tips enabling students to hone in on important concepts and the applications in operations sections bring conceptual matter to life

practical advice for anyone looking to increase the power of their motorcycle through turbocharging or supercharging this valuable guide contains sections on ram air induction fueling electronic fuel injection nitrous oxide plus chapters on choosing the right bike for power boosting and factory turbo bikes

lessons from harley davidson on being the best
