add some fizzy sparkle to your life and discover the delicious and refreshing world of homemade soft drinks drawing on centuries old traditions from american general stores and pharmacy soda fountains this fun and informative guide has recipes for perennial favorites like birch beer and ginger beer as well as more adventurous concoctions like molasses switchel and dandelion champagne stephen cresswell provides easy to follow directions that cover everything from extracting the earthy undertones of sassafras for an exciting root beer to whipping up a caffeine charged coffee whizzer

when you're young broke and in search of a life of adventure making stuff and doing things is the most useful book on the planet it's been called more important than the bible it's an indispensable handbook full of basic life skills for the young punk or activist or for anyone who's trying to get by get stuff done and live life to the fullest without a lot of money the book started as a series of zines with dozens of contributors setting down the most important skills they knew in concise often hand written pages if you want to do it yourself or do it together this book has it all from making your own tooth paste to making your own art and media feeding clothing cleaning and entertaining yourself surviving on little living on less and staying healthy on all your life's adventures you'll never be bored again

reprint of the original first published in 1872 the publishing house anatiposi publishes historical books as reprints due to their age these books may have missing pages or inferior quality our aim is to preserve these books and make them available to the public so that they do not get lost

this year was an off year for apples at least it was in my yard others in my neighborhood reported a record year as far as the number of apples on their trees goes however my trees only really invest in producing apples every other year and this year they were saving their energy to reach for the sun still i must have gotten over 100 apples off of my two apple trees it's fine that i didn't get more apples because i'm busy doing a million other things including of course writing books in 2017 i wrote strawberry cheesecake applesauce that treat always makes me drool this year i'm writing chocolate covered cherries applesauce which is another treat that will make you be rude and salivate i hope that you enjoy these recipes just as much as those in my previous book and i hope that you get creative and make your own gourmet applesauce recipes you can find tips on choosing the right apples and flavors in strawberry cheesecake applesauce i won't bother repeating those tips here recipes are handy to have i often use them as a starting point but mostly my cooking is an art and of course i don't write down how much of what i put in any of my applesauces when i'm making them notwithstanding that i've added a chapter at the end of this book titled recipes that's where i've tried to recall how much of each ingredient i used in each recipe each of my gourmet applesauce recipes starts with my basic gourmet applesauce recipe which is also included in the recipes chapter perhaps i wrote that chapter as an attempt to assuage my guilt for not writing each recipe down at the time i made it no that can't be true i don't feel any guilt about that at all i must have written it because i wanted you to be able to repeat my successes i wrote it for you so that your attempts at making my recipes wouldn't turn out

to be total disasters of course when making a gourmet applesauce it's hard to create a total flop however as you'll learn in my orange spiced punch applesauce chapter you may end up with something totally different from what you had in mind when you started oh those apples and flavors they can be such tricksters rating g reading level easy 5th grade longest word transmogrified

building on the highly praised and deliciously browsable two volume compendium the oxford encyclopedia of food and drink in america this new work serves up everything you could ever want to know about american consumables and their impact on popular culture and the culinary world within its pages for example we learn that lifesavers candy owes its success to the canny marketing idea of placing the original flavor mint next to cash registers at bars patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober and the company began producing other flavors edited by andrew smith a writer and lecturer on culinary history the companion serves up more than just trivia however including hundreds of entries on fast food celebrity chefs fish sandwiches regional and ethnic cuisine food science and historical food traditions

root beer started out being made with all sorts of herbal combinations and natural ingredients today the mass production of soda pop has removed most or all natural and healthy ingredients from root beer and other sodas here is an opportunity and a way to make your own all natural healthy root beer your own way without all the sugar and preservatives learn how to make your very own root beer at home with real roots and spices to get the flavor of root beer the method described in this book is one of the very same methods used back before electricity was available those movies you see about the old days when kids were in the saloon ordering a sarsaparilla or birch beer this is one of those types of recipes this book will teach you how to make your very own root beer and teach you how to naturally carbonate your beverages as well this is laid out in a step by step format with illustrations to help you through the process homemade beverages are much healthier for you and your family and contain a fraction of the sugar found in commercially available drinks
