skillful journalism and meticulous scholarship are combined in the full bodied portrait of that enigmatic folk hero henry ford and of the company he built from scratch writing with verve and objectivity david lewis focuses on the fame popularity and influence of america s most unconventional businessman and traces the history of public relations and advertising within ford motor company and the automobile industry

collector s originality guide ford model a is the definitive guide to one of the greatest cars in american history the ford model a the successor to the ubiquitous and world changing model t the model a arrived on the scene in 1928 to considerable fanfare thanks to the marketing genius of henry ford and this much hyped car delivered

exactly what the public wanted a solid reliable up to date and beautiful new car naturally this car became an instant classic and has been a favorite among collectors and restorers for decades in this paperback reissue of the highly popular hardcover book author and photographer jim schild walks through all of the details of the model a s four year production providing collectors with everything they need to know to identify classify and restore these fabulous cars filled with gorgeous color photography this book has been and continues to be a must have for all model a fans

around detroit suburbanization was led by henry ford who not only located a massive factory over the city s border in dearborn but also was the first industrialist to make the automobile a mass consumer item so suburbanization in the 1920s was spurred simultaneously by the migration of the automobile industry and the mobility of automobile users a welfare capitalist ford was a leader on many fronts he raised wages increased leisure time and transformed workers into consumers and he was the most effective at making suburbs an intrinsic part of american life the decade was dominated by this new political economy also known as fordism linking mass production and consumption the rise of dearborn demonstrated that fordism was connected to mass suburbanization as well ultimately dearborn proved to be a model that was repeated throughout the nation as people of all classes relocated to suburbs shifting away from central cities mass suburbanization was a national phenomenon yet the example of detroit is an important baseline since the trend was more discernable there than elsewhere suburbanization however was never a simple matter of outlying communities growing in parallel with cities instead resources were diverted from central cities as they were transferred to the suburbs the example of the detroit metropolis asks whether the mass suburbanization which originated there represented the american dream and if so by whom and at what cost this book will appeal to those interested in cities and suburbs american studies technology and society political economy working class culture welfare state systems transportation race relations and business management

in the author s reassessment of this underrated president ford emerges as a skilled executive an effective diplomat and a leader with a clear vision for america s future working to heal a divided nation ford unified the gop and laid the groundwork for the republican resurgence in subsequent decades book jacket

informal account of the peace mission of the oscar 2d chartered by henry ford in december 1915 to stop the war in europe by a journalist who participated in the voyage
