in this classic bestselling screenwriting guide now revised and updated author and film consultant viki king helps students go from blank page to completed manuscript through a series of clever and simple questions ingenious writing exercises and easy effective new skills viki king s inner movie method is a specific step by step process designed to get the story in your heart onto the page this method doesn t just show how to craft a classic three act story but also delves into how to clarify the idea you don t quite have yet how to tell if your idea is really a movie and how to stop getting ready and start once you know what to write the inner movie method will show you how to write it how to write a movie in 21 days first published in 1987 has been translated in many languages around the world and has become an industry standard guide for filmmakers both in hollywood and internationally

the main difference between an early career screenwriter and a great screenwriter is their process screenwriters with an effective and professional process tend to write great scripts this book teaches a method called process driven screenwriting the process is a series of planning steps we take before writing our script this process works for any kind of movie it works for hollywood blockbusters or experimental art house films as long as our intention is to create drama the process will help us write better scripts this book doesn't offer a formula or plot template instead it helps screenwriters find a writing technique that works for them at the heart of this book is a simple idea dogma is the enemy of creativity this book contains a set of practical tools tools designed to help writers create drama and to craft great cinematic stories this is also a book that explores the ideas behind drama story and what it means to write cinema although the tools in this book are simple the conversation about how we write movie scripts isn't i have not separated the conversation about writing from the discussion about the tools that's because the two things are connected we need tools like this because writing cinematic drama is complicated it's not possible to separate the process from the challenges of screenwriting process driven screenwriting is very simple anyone can learn the basic steps in a short period of time however as with any tools it takes time and practice to master their use these tools can be used to create simple stories or to craft complex narratives so what are these tools what are the steps raw idea our initial inspiration or ideatheme decide what facet of human experience we're exploringcompass logline decide who the film is about when and where it is setchase our fascination to create the world of story creating a fictional worldcharacter development populate the world with characterscreate a plot decide what happens and the order in which the audience finds things outwrite the script write cinematic drama in a form that is acceptable to the production teamin reality everyone is a process driven screenwriter whether they know it or not every writer has a process even if that process is to stare at a blank page until they have an idea every writer's process is unique to them we do what works best for us writers with great processes write great screenplays in this book we will look at ways any writer can improve their process without giving up the things that make them unique

screenwriters often joke that no one ever paid a dollar at a movie theater to watch a screenplay yet the screenplay is where a movie begins determining whether a production gets the green light from its financial backers and wins approval from its audience this innovative volume gives readers a comprehensive portrait of the art and business of screenwriting while showing how the role of the screenwriter has evolved over the years reaching back to the early days of hollywood when moonlighting novelists playwrights and journalists were first hired to write scenarios and photoplays screenwriting illuminates the profound ways that screenwriters have contributed to the films we love this book explores the social political and economic implications of the changing craft of american screenwriting from the silent screen through the classical hollywood years the rise of independent cinema and on to the contemporary global multi media marketplace from the birth of a nation 1915 gone with the wind 1939 and gentleman's agreement 1947 to chinatown 1974 american beauty 1999 and lost in translation 2003 each project began as writers with pen and ink typewriters or computers captured the hopes and dreams the nightmares and concerns of the periods in which they were writing as the contributors take us behind the silver screen to chronicle the history of screenwriting they spotlight a range of key screenplays that changed the game in hollywood and beyond with original essays from both distinguished film scholars
