medievalism has become a central concern for those studying and teaching medieval history it can be distinguished from traditional medieval history because it is not directly concerned with the study of the middle ages themselves but rather it looks at how ideas about the medieval era operate in modern culture this volume breaks new

ground by moving beyond the arena of contemporary popular culture by interpreting modern academic attitudes towards the middle ages as themselves forms of medievalism what is presented as refined historical truth is no more than a construction of truth derived from the larger philosophical and cultural trends of our own day this volume argues that modernity s sense of the medieval past is the product of the dominant intellectual movements of the nineteenth century romanticism and idealism and that nineteenth century attitudes have continued to inform current understandings of the middle ages this is a narrative that combines the main themes of modern scholarship on the medieval age with a subtly portrayed picture of the philosophical culture which produced them

a student of creation will find the turn of the lunar week to be hugely significant title page

a sharp analysis of the similarities differences and impact of the presidencies of franklin roosevelt and ronald reagan two iconic figures representing polar opposites of twentieth century american politics

this book offers interpretations of different forms of political opposition in political theory and also in the contemporary development of politics and government in central europe the problem is analyzed through a comparative approach the first part of the book targets the question of definitions and typologies of political opposition above all in democratic but partly also in non democratic regimes the second part deals with the question of models of political opposition in central europe after the fall of communism in the late twentieth century and in the present

vols for 1892 1941 contain the transactions and proceedings of the society
