more than ten years after the adoption of the un guiding principles on business and human rights this book critically reviews the achievements limits and next frontiers of business and human rights following the protect respect remedy trichotomy the un guiding principles acted as a catalyst for hitherto unprecedented regulatory and judicial developments the monograph by macchi proposes a functionalist reading of the state s duty to regulate the transnational activities of corporations in order to protect human rights and adopts a holistic approach to the corporate responsibility to respect arguing that environmental and climate due diligence are inherent dimensions of human rights due diligence in the volume emerging legislations are assessed on mandatory human

rights and environmental due diligence as well as the potential and limitations of a binding international treaty on business and human rights the book also reviews groundbreaking litigation against transnational corporations such as *lungowe v vedanta* or *milieudefensie v shell* for their human rights and climate change impacts the book is primarily targeted at academic and non academic legal experts as well as at researchers and students looking at business and human rights issues through the lenses of legal studies particularly international law and european law political sciences business ethics and management additionally it should also find a readership among practitioners working in the public or private sector consultants csr officers legal officers etc willing to familiarize themselves with the expanding areas of liability financial and reputational risks connected to the social and environmental impacts of global supply chains chiara macchi is currently lecturer in law at wageningen university research in the netherlands

shifting power balances in the world are shaking the foundations of the liberal international order and revealing new fault lines at the intersection of human rights and international security will these new global trends help or hinder the world's long struggle for human rights and democracy the answer depends on the role of five rising democracies india brazil south africa turkey and indonesia as both examples and supporters of liberal ideas and practices ted piccone analyzes the transitions of these five democracies as their stars rise on the international stage while they offer important and mainly positive examples of the compatibility of political liberties economic growth and human development their foreign policies swing between interest based strategic autonomy and a principled concern for democratic progress and human rights in a multipolar world the fate of the liberal international order depends on how they reconcile these tendencies

this handbook maps the expanding field of gender and eu politics giving an overview of the fundamentals and new directions of the sub discipline and serving as a reference book for gender scholars and students at different levels interested in the eu in investigating the gendered nature of european integration and gender relations in the eu as a political system it summarizes and assesses the research on gender and the eu to this point in time identifies existing research gaps in gender and eu studies and addresses directions for future research distinguished contributors from the us the uk and continental europe and from across disciplines from political science sociology economics and law expertly inform about gender approaches and summarize the state of the art in gender and eu studies the routledge handbook of gender and eu politics provides an essential and authoritative source of information for students scholars and researchers in eu studies politics gender studies politics political theory comparative politics international relations political and gender sociology political economy european and legal studies law

this book is part of a two volumes exploration comprising 18 chapters organized into four distinct thematic sections this volume delves into the geopolitical dynamics and

power relations in east and southeast asia and the global north it examines the interactions of regional and extra regional powers from both military and soft power perspectives it highlights china s influence in the indo pacific region russia s involvement in myanmar s political economy and taiwan s situation it also examines the dynamics of india taiwan relations and north korea s foreign policy this book presents interconnected discussions on various themes offering valuable insights for readers it provides useful insights into the role of the global north from multiple perspectives this will benefit students scholars and academicians from diverse disciplines such as international relations foreign policy defence and strategic studies political science peace and conflict studies and journalism the other volume provides an in depth analysis of the intricate power struggles within this asian region with a particular focus on india and delves into the power dynamics of central asia and west asia offering a comprehensive examination of the geopolitical and power related issues that shape these regions

social justice is a concept which is widely touted and lauded as desirable yet its meaning may differ depending on whether its focus is on the underlying values of social justice the more specific objectives these entail or the actual practices or policies which aim to achieve social justice in the current global political context we need to re examine what we mean by social justice and demonstrate that making a difference and contributing to human flourishing is more achievable than this context would suggest the book aims to increase our sense of being able to enact social justice by showcasing different ways of contributing to social justice and making a difference in different settings and different ways part 1 introduces a fluid and contextual approach to social justice part 2 examines social justice and faith perspectives such as christianity judaism islam and community organisations part 3 illustrates perspectives on children the family sport and local government part iv provides perspectives of social justice in education considering concepts of citizenship and social justice from a variety of contemporary perspectives everyday social justice and citizenship should be considered essential reading for academics and students from a range of social scientific disciplines with an interest in social justice as well as those working in education community work youth work and chaplaincy

the small arms survey 2008 examines the problem of diversion and analyses the public health approach to armed violence

this book aims to provide a state of the art overview of the contexts causes and treatments that relate to the reduction of coercion and the prevention of violence in mental health settings the objective of this new edition in open access is to integrate theoretical explanations empirical findings and practical solutions on the topic from many countries and diverse professional contexts a large proportion of the text is concerned with practical and applied guidance for practitioners and others based on a clear understanding of conceptual and theoretical issues significantly enriched by the

contributions of lived experience editors and co authors this edition brings authentic new perspectives that deepen its relevance and impact there is extensive use of case studies drawn from practice and the media to enliven the discussion the scope of the book is intended to go beyond a reductionist medical biological orientation on coercion and violence in mental health by integrating this within broader psychological and social frameworks it includes new relevant contributions from nursing psychology psychiatry and sociology the language of the book is clear and understandable to a broad audience whilst offering new knowledge for researchers and other specialists

in the ethics of human rights esther reed constructs a christian theology of right rights and natural rights and does so in constant awareness of and conversation with the public and political implications of such a theology reed s use of genesis 9 1 17 god s covenant with noah enables her critical christian engagement with issue of right and her application of this christian theology of rights to the contemporary moral dilemmas of animal rights the environment and democracy

this is the first comprehensive practical handbook on the topic of environmental social governance esg and its impact on the real estate industry the sustainability megatrend is still in its early stages in the real estate sector and there is a lack of standards practical examples and data the development is very dynamic and sometimes confusing and new complex requirements and regulations are constantly being added the authors an expert team of economists lawyers investors asset managers and engineers provide an overview of national and european regulatory requirements as well as current market developments they show what role esg plays not only in the areas of new construction renovation and real estate management but also in investment processes and real estate valuations contents esg and the real estate market esg and regulatory environment esg and real estate management esg in urban and project development

the european yearbook promotes the scientific study of nineteen european supranational organisations and the oecd each volume contains a detailed survey of the history structure and yearly activities of each organisation and an up to date chart providing a clear overview of the member states of each organisation

a fortnightly bulletin on financial and political trends

this unique two volume reference is the most authoritative up to date resource available for information and data on the most volatile civil wars around the globe since world war ii at a time when historians are devoting more and more research to conflicts within nations civil wars of the world major conflicts since world war ii is an invaluable addition to the available resources in two volumes it ranges around the globe to cover the most volatile and deadly civil wars of the past 60 years including the bloody impasses in the middle east devastating tribal warfare in africa cold war fueled conflicts in eastern europe and asia the seemingly unbreakable cycle of rebellion and repression
