Focusing on Thompson's influences development and unique model of authorship Savage Journey argues that his literary formation was largely a San Francisco story during the 1960s. Thompson rode with the Hell's Angels explored the San Francisco counterculture and met talented editors who shared his dissatisfaction with mainstream journalism. Author Peter Richardson traces Thompson's transition during this time from New Journalist to cofounder of Gonzo Journalism. He also endorses Thompson's later claim that he was one of the best writers using the English language as both a musical instrument and a political weapon. Although Thompson's political commentary was often hyperbolic, Richardson shows that much of it was also prophetic.

Here for the first time is the private and most intimate correspondence of one of America's most influential and incisive journalists, Hunter S. Thompson. In letters to a who's who of luminaries from Norman Mailer to Charles Kuralt, Tom Wolfe to Lyndon Johnson, William Styron to Joan Baez, not to mention his mother, the NRA and a chain of newspaper editors, Thompson vividly catches the tenor of the times in 1960s America and channels it all through his own razor sharp perspective. Passionate in their admiration, merciless in their scorn and never anything less than fascinating, the dispatches of the proud highway offer an unprecedented and penetrating gaze into the evolution of the most outrageous raconteur provocateur ever to assault a typewriter.
