deep down it s easy to believe that the better job the nicer house or the more dynamic church will finally make us feel at home in searching for home m craig barnes challenges this belief he reminds us that paradise is lost and we can t go home again our great comfort and hope however is that we are never lost to god seasoned by more than twenty years as a pastor barnes discusses the importance of confession worship and grace in our search for home he offers advice about how we can move from being transient nomads too frightened to be grateful to pilgrims who are at home with god guided by our pleasure in him this book was written for both christians and seekers who are still looking for a sense of

belonging or home it will be a useful tool for pastors adult sunday school groups and counselors of all kinds who are advising pilgrims along the way

christianity today 2021 book award winner the church pastoral leadership award of merit diary of a pastor s soul tells the story of a fictionalized pastor embarking on his final year before retirement who reflects on the experiences and relationships that have formed his vocation and shaped his soul over a lifetime of pastoral ministry drawing on his own experiences seasoned pastor craig barnes invites readers to embrace the life lessons of a pastor who has been formed by his failures and his fleeting moments of glory but most of all by discovering the holy in the routine but often quirky duties of being a parish pastor through 52 weekly thematic entries barnes presents spirituality in narrative form through a collection of interwoven stories about learning to love others with curiosity amazement vulnerability and most of all gratitude for the grace found in flawed lives barnes s fictionalized diary approach creatively shows how the pastoral vocation forms mind heart and soul helping pastors make sense of their own calling with unvarnished honesty this book eloquently illustrates a lifetime of ministry revealing how the holy haunts the landscape of life

today s pastors often expected to be multitasking marvels who can make their churches successful are understandably confused about their role craig barnes contends that the true calling of a pastor is to assist others in becoming fully alive in christ to be a minor poet the pastor absorbs the wisdom of major poets the biblical poets as well as the church s theological poets and distills its essence for parishioners the pastor as minor poet calls pastors to continually search for a deeper truer understanding of what they see both in the text of scripture and in the text of their parishioners lives discerning the subtexts beneath these texts reveals the core truths that allow pastors to preach the heart of the word and to understand the hearts of the people to whom they minister written with a seasoned pastor s depth of understanding and a poet s sensibility and sensitivity this book will minister to and inspire pastors everywhere

a collection of thought provoking and prayer inducing reflections on scripture readers will appreciate the fresh and unexpected biblical perspectives that pastor theologian and author m craig barnes brings to the ordinary things of life the immeasurable and unbounded grace of god is the theme that winds through these diverse meditations

our lives are constantly changing it s hard to keep up to keep our balance it s hard to keep trusting in god and it s especially difficult when the changes we re faced with are unwanted the death of a loved one a child leaving home an illness a frustrated dream craig barnes knows the dark side of change as a pastor he has counseled many christians through tough times of transition and he has been challenged by unwanted changes interruptions in his own life at times it seems as though god has moved far far away but barnes has discovered that just the opposite is true during times of change and seeming abandonment god is right at our side offering to lead us in a new direction offering us new life he writes a young widow can outlive her grief and decide her life may never be the same but is far from over a lost job can become the beginning of a new vocation here is the book for all who have known disappointment bereavement or the shattering of faith a book all

the more valuable because it promises hope without denying despair in when god interrupts a sensitive insightful pastor shows us how we can be found by god in the middle of unwanted change

does god want us fulfilled popular psychology says we should be fulfilled advertisements tease us with dozens of ways we can be fulfilled many preachers and book promise christian fulfillment but in this surprising and surprisingly liberating book craig barnes suggests we weren't created to be whole or complete with a fresh reading of the early chapters of genesis he says that much of our pain and disillusionment arises from wrong expectations of the gospel and of life echoing comedian bob newhart barnes would like to make a motion that we face reality he candidly draws from his own experience as a son a student a husband a father and a pastor to help us see what we all know but are so reluctant to say aloud that biblical living will not save us from crises or unfulfillment barnes writes for anyone who knows that faith must be tough enough to hold up in the emergency rooms of life but he doesn't merely help us face reality he helps us see how our needs and limitations are gifts the best opportunities we have to receive god's grace because of that yearning may be the most honest and the most helpful book you'll read this year
