he caught the westbound is an old american hobo expression for someone who has departed from this life in the case of this book it is employed to be symbolic of a passing american way of life and the people who created that we live in troubled times and the author often uncomfortably reminds us so yet positive travel experiences relieve the pessimism wherein the author says it could be worse but not much

sleeping with dogs picks up two months after the end of some people who wander are lost one year has elapsed since i began living in a 12 foot travel trailer that first winter passed with the aid of an electric blanket a lofty sleeping bag and two dogs las vegas new mexico proved to be an excellent haven with three superb cafes and plenty of mostly friendly residents

boys life is the official youth magazine for the boy scouts of america published since 1911 it contains a proven mix of news nature sports history fiction science comics and scouting

the west is popularly perceived as america s last outpost of unfettered opportunity but twentieth century corporate tourism has transformed it into america s land of opportunism from sun valley to santa fe towns throughout the west have been turned over to outsiders and not just to those who visit and move on but to those who stay and control although tourism has been a blessing for many bringing economic and cultural prosperity to communities without obvious means of support or allowing towns on the brink of extinction to renew themselves the costs on more intangible levels may be said to outweigh the benefits and be a devil s bargain in the making hal rothman examines the effect of twentieth century tourism on the west and exposes that industry s darker side he tells how tourism evolved from grand canyon rail trips to sun valley ski weekends and disneyland vacations and how the post world war ii boom in air travel and luxury hotels capitalized on a surge in discretionary income for many americans combined with newfound leisure time from major destinations like las vegas to revitalized towns like aspen and moab rothman reveals how the introduction of tourism into a community may seem innocuous but residents gradually realize as they seek to preserve the authenticity of their communities that decision making power has subtly shifted from the community itself to the newly arrived corporate financiers and because tourism often results in a redistribution of wealth and power to outsiders observes rothman it represents a new form of colonialism for the region by depicting the nature of tourism in the american west through true stories of places and individuals that have felt its grasp rothman doesn t just document the effects of tourism but provides us with an enlightened explanation of the shape these changes take deftly balancing historical perspective with an eye for what s happening in the region right now his book sets new

standards for the study of tourism and is one that no citizen of the west whose life is touched by that industry can afford to ignore

of the hundreds of foreign students who attended the munich art academy between 1910 and 1915 walter ufer 1876 1936 and e martin hennings 1886 1956 returned to the united states to foster the development of a national art they ultimately established their reputations in the american southwest the two german american artists shared much in common and both would gain membership in the celebrated taos society of artists featuring nearly 150 color plates and historical photographs a place in the sun is a long overdue tribute to the lives achievements and artistic legacy of these two important artists in tracing the lifelong friendship and intersecting careers of ufer and hennings the contributors to this volume explore the social and artistic implications of the artists german heritage and training following their training in munich both men hoped to build careers in the spirited art environment of chicago both were sponsored by wealthy businessmen many of german descent the support of these patrons allowed ufer and hennings to travel to the american southwest where they like so many other talented artists fell under the spell of taos and its picturesque scenery they also encountered the region s native peoples and hispanic culture that inspired many of their paintings despite their mutual interests ufer and hennings were not identical by any means each artist had a distinct artistic style and as the essays in this volume reveal the two men could not have had more different personalities or career trajectories connoisseurs of southwestern art have long admired the masterworks of ufer and hennings by offering a rich sampling of their paintings alongside informative essays by noted art historians a place in the sun ensures that their significant contributions to american art will be long remembered a place in the sun is published in cooperation with the denver art museum

the oxford handbook of decadence provides the most thorough examination of decadence to date by exploring the ramifications of this culture in different times and places from ancient rome to contemporary america thirty five wide ranging chapters address decadence not only in literature but also in film fashion architecture and more as well as in such fields as theology science psychoanalysis philosophy and politics

in light of the importance of oil and gas in california perhaps the discovery of gold there should be viewed as just a flash in the pan by 1938 the cumulative value of all the gold

found in the state stood at something more than two billion dollars while the cumulative value of the oil and gas produced was more than double that sum well over five billion dollars the story of california oil deserves to be told and pictures tell it best

all the current negligence cases decided in the federal courts of the united states the courts of last resort of all the states and territories and selections from the intermediate courts together with notes of english cases and annotations varies

who s the boss by linda turner released on may 25 1995 is available now for purchase
