summary of i hear you the surprisingly simple skill behind extraordinary relationships a comprehensive summary this book contains proven steps and strategies on how to strengthen and create new relationships in your life through using this book it is my hope that your current relationships will be stronger than you ever thought imaginable and your future relationships will start off with the right foot forward your relationships can still improve and be strengthened also there s much room in your life for brand new bonds through this book you ll be able to learn the essentials of having lasting relationships in a simple manner relationships are fragile before they are robust before they re strong enough to withstand various challenges perhaps one of the reasons why you ve downloaded this book is due to a weakening relationship it may be that some of your relationships are already nearly ruined because of the factors enumerated below these are among the top reasons why many relationships fail they re wide encompassing so it s best to detect them as early as possible pride pride is the root of many destructive things some say that pride can sometimes be helpful in pulling yourself up and defending yourself during a conflict however it s a dangerous thing to play with many relationships are ruined when neither of the parties of sides is willing to approach the matter with humility it s not your fault you couldn t make it to your friend s party not your fault you couldn t visit your grumpy father you may have caused someone great pain yet are unwilling to seek his forgiveness maybe someone hurt you in the past and despite their sincere apology forgiving them seems impossible perhaps there was a time when you needed help yet you didn t ask because you thought you could handle it the project failed and you started to blame your friend for not sensing your need for assistance as you can see pride more often creates rifts between people than builds one s character up it s

something that you must do away with as soon as possible pride transcends immediate relationships and affects future bonds as well if you want to create healthy and sturdy relationships in the future seriously consider becoming more selfless and generous selfishness it is quite clear that self centeredness doesn't aid in strengthening any type of relationship unfortunately many are unaware of the long lasting effects their selfishness has when you continuously focus on your needs not on those around you your world becomes smaller in your little world you don't have to worry about anyone else in your little world you're the only inhabitant and it's a very lonely existence if you want to avoid weakening and ultimately destroying your relationships it's time to become selfless selfishness may be continued here is a preview of what you will get a full book summary an analysis fun quizzes quiz answers etc get a copy of this summary and learn about the book

feel disconnected from your spouse or partner struggle to keep your relationship fresh worried that everything will end in heartbreak it's easy to fall in love the challenging part is keeping that spark alive while you and your partner deal with the real world your relationship can often seem less urgent than the day to day emergencies that you deal with your job finances children and that to do list full of chores they all demand your immediate attention so how do you find the time to nurture your love and intimacy in this relationship material book you will discover the habit of bringing out the best in others starting with transforming how you think about relationships this will help you find joy in all your relationships discover how to cooperate with others to achieve both personal and mutual goals trade loneliness for fellowship and connection learn to increase your satisfaction in your life this relationship help workbook will teach you how to become the best listener your friends and family know talk to anyone in any situation communicate to achieve results that matter decrease the cultural divide develop empathy and compassion productively listen to those with entirely different views than your own examine your mindset your beliefs and assumptions and realign them to effectively bring out the best in others control your impulsive reactions use nlp inspired skills for better communication stop doing things that contribute to relationship problems and much more would you like to know more download now to re create the magic in the most valuable relationship in your life scroll to the top of the page and select the buy now button
