this is a book about the causes effects and coping strategies pertaining to schizoaffective disorder the story is an account of my struggle with this difficult mental illness the book is a description of a descent into madness the repercussions of that descent and the things i did to get my life back on track after my frightening and bizarre experience with schizoaffective disorder if you or someone you know is suffering from schizoaffective disorder schizophrenia bi polar disorder or severe depression then you should think about reading this book this book provides insight into the mind of a person affected by this most misunderstood illness and explains the steps necessary to make a full recovery from it readers of this book will come away

with an understanding that there is much hope for people suffering from mental illness and that if the illness is taken seriously a meaningful and productive life can still be lived regardless

there comes a moment when you realize you didn't lose yourself because you were weak you lost yourself because you kept pouring love energy and presence into places that never had space for you if i lost myself it was because i gave so much in places that didn't know how to receive me is a warm honest and deeply human guide for anyone who has loved from overflow who has been too much for the wrong people and never enough for those who couldn't see them and who is finally ready to stop disappearing in the name of connection with a gentle compassionate voice these pages help you understand why you kept giving even when nothing came back you'll discover how early wounds shaped your desire to be chosen how you learned to mistake self sacrifice for love how earning affection became a habit and how your heart stayed in spaces that were too small to hold you you'll see how the fear of being unwanted makes you overextend how survival patterns turn into relationship patterns how longing can disguise itself as loyalty and how you slowly drift away from yourself when you try to belong where you were never meant to fit the narrative naturally weaves long tail reflections like how to stop giving myself where there is no reciprocity how to recognize relationships that shrink me how to rebuild my worth after being overlooked how to break the cycle of overgiving how to create connections where i am welcomed instead of tolerated how to choose myself without fear and how to finally take back the energy i kept offering to the wrong places each chapter invites you to look at your story with tenderness instead of judgment you'll learn to recognize the emotional exhaustion hidden behind your generosity to understand the quiet grief of not being received and to see clearly when giving becomes self abandonment you'll explore how to rebuild boundaries that protect your worth how to listen to the voice that whispers this is too little for you and how to stop negotiating your value in exchange for crumbs of affection you'll discover how to nourish yourself in ways you once expected others to do how to choose relationships where you fit without shrinking and how to return gently to the version of you who only wanted to be seen this book is for those who have poured themselves out until they disappeared for those who loved in places that could not reflect that love back and for those who are ready to reclaim the space they always deserved may these pages remind you that you were never too much you were simply offering yourself where there was never room and now at last you get to choose where you bloom

half of the people who are reading the title of this book are thinking oh sure i've heard that line about losing weight before i'm not going to fall for that scam again this is just some ad for a diet pill or for a weight loss program the other half of the people who are reading the title are thinking well sure losing weight is really easy for some people but it's never easy for me but you oh most astute reader yes you are thinking that there really must be something to this and you know beyond all knowing that there is a secret in this book that only you will find out and that secret oh wise one will enable you to lose weight simply honestly and best of all with little effort

at all so to you most savvy reader read on

anthology of poems short stories and jokes by various authors including mark twain compiled by mark twain
