democracies are extremely unlikely to wage war against other democracies this main proposition of the democratic peace theory constitutes the starting point for this volume chapters authored by experts from different parts of the world explore the concept of democratic peace in greater depth in relation to selected issue areas and in comparison to other concepts such as security communities or concerts of powers the role and significance of international organizations and gender equality for instance are discussed and assessed in this context the objective guiding this exercise is to give an answer to the question as to whether democratic peace and the other two concepts i e security communities and concerts of powers can provide a solution to today s security challenges and constitute a guide to peaceful co existence and conflict settlement so the chapters discuss intellectual frameworks at some length at the same time reflecting on potential inferences for the outside world and highlighting associated challenges limits or even possible adverse implications

the military orders essay collections arising from the quadrennial conferences held at clerkenwell in london have come to represent an international point of reference for scholars this present volume brings together twenty nine papers given at the seventh iteration of this event the studies offered here cover regions as disparate as prussia iberia and the eastern mediterranean and chronologically span topics from the twelfth to the twentieth century they draw attention to little used textual and non textual sources advance challenging new methodologies and help to place these military religious institutions in a broader context

no single person is more responsible for preparing the way for the ordination of women in the church of england and the episcopal church than maude royden 1876 1956 but her contributions went beyond her pioneering advocacy of a woman s right to exercise priestly ministry she was also a leader in the political suffrage movement a social reformer a pacifist a spiritual director and a world renowned preacher and author her writing on women war and peace the future of the church morality and theology are as relevant in our troubled time as they were in hers in this book the first anthology of royden s work in over eighty years kerry walters assembles selections from a wide and representative range of her published work in addition to an introductory essay about her life message legacy and relevance each of the selections are accompanied by short prefaces that situate them in their context and summarize their main

points

this volume focuses on developments in peace research in a number of key countries and in particular introduces for the first time in english the perspectives of a number of chinese scholars who have started to engage with peace studies agendas comparisons are drawn from the uk usa mexico japan and south africa to provide a better understanding of the debates on a global level

amid the ongoing and volatile debate over the nature and potential of peace journalism this volume presents visionary insights from some of the most prominent scholars in the field the significant empirical studies included here will provide foundation data for communication studies the contributors broaden the purview and terrain of peace journalism to include new media and offers essays on the effects and the content of global communications in sum the thirteenth volume of peace and policy deepens our empirical knowledge of the nature and effects of conflict while underscoring the increase in numbers of participants and breadth of communications
