the song of songs is a fascinating text read as an allegory of god s love for israel the church or individual believers it became one of the most influential texts from the bible this volume includes twenty three essays that cover the song s reception history from antiquity to the present they illuminate the richness of this reception history paying attention to diverse interpretations in commentaries sermons and other literature as well as the song s impact on spirituality theological and intellectual debates and the arts

the relationship between language and music has much in common rhythm structure sound metaphor exploring the phenomena of song and performance this book presents a sociolinguistic model for analysing them based on ethnomusicologist john blacking s contention that any song performed communally is a folk song regardless of its generic origins it argues that folk song to a far greater extent than other song genres displays communal or inclusive types of performance the defining feature of folk song as a multi modal instantiation of music and language is its participatory nature making it ideal for sociolinguistic analysis in this sense a folk song is the product of specific types of developing social interaction whose major purpose is the construction of a temporally and locally based community through repeated instantiations this can lead to disparate communities of practice which over time develop sociocultural registers and a communal stance towards aspects of meaningful events in everyday lives that become typical of a discourse community

these books of the bible despite their differences all treat the phenomenon of what it means to live wisely before god in this readable commentary ellen davis points out that the writers of these books considered wisdom and the fruits of wisdom a well ordered life and a peaceful mind to be within the grasp of anyone wholeheartedly desiring it books in the westminster bible companion series assist laity in their study of the bible as a guide to christian faith and practice each volume explains the biblical book in its original historical context and explores its significance for faithful living today these books are ideal for individual study and for bible study classes and groups

since jan 1901 the official proceedings and most of the papers of the american association for the advancement of science have been included in science
