at last russia has begun to speak in a truly original voice so said anatoly vaneev a soviet dissident who became karsavin s disciple in the siberian gulag where the philosopher spent his last two years the book traces the unusual trajectory of this inspiring voice karsavin started his career as russia s brightest historian of catholic mysticism however his radical methods which were far ahead of their time shocked his conservative colleagues the shock continued when karsavin turned to philosophy writing flamboyant and dense essays in a polyphonic style which both marxists and religious traditionalists found provocative there was no let up after he was expelled by lenin from soviet russia in exile he became a leading theorist in the eurasian political movement combining orthodox theology with a left wing political orientation finally karsavin found stability when he was invited to teach history in lithuania there he spent twenty years reworking his philosophy before suffering the

german and soviet invasions of his new homeland and then deportation and death clearing away misunderstandings and putting the work and life in context this book shows how karsavin made an original contribution to european philosophy inter religious dialogue orthodox and catholic theology and the understanding of history

this book is the second of a planned three volume systematic theology under the title confessions of a heretic volume one which has the subtitle philosophical considerations was published by archway in 2024 the project now turns to theological considerations with the forthcoming volume three being ecclesiological consideration organized into three parts volume two focuses on the theological endeavor and the doctrines distinctive to christianity namely the trinity jesus christ sin and salvation based on the foundational distinctions and definitions explicated in volume one the current volume seeks to ask what the philosophical considerations imply for basic traditional understandings and terminology of christian theology including that of jesus of nazareth his crucifixion and resurrection the project as a whole adopts a trinitarian structure with this second volume focused on god the son or as here termed god the perfecter the argument is that christian theology needs to shift from an anthropocentric to a theocentric approach recognizing human beings simply as creatures and having the courage to face what that entails yet doing so necessitates a radical reconceptualization of the very foundations of christian theology itself in the attempt to combat idolatry

arne gr n s reading of s ren kierkegaard s authorship revolves around existential challenges of human identity the 35 essays that constitute this book are written over three decades and are characterized by combining careful attention to the augmentative detail of kierkegaard s text with a constant focus on issues in contemporary philosophy contrary to many approaches to kierkegaard s authorship gr n does not read kierkegaard in opposition to hegel the work of the danish thinker is read as a critical development of hegelian phenomenology with particular attention to existential aspects of human experience anxiety and despair are the primary existential phenomena that kierkegaard examines throughout his authorship and gr n uses these negative phenomena to argue for the basically ethical aim of kierkegaard s work in gr n s reading kierkegaard conceives human selfhood not merely as relational but also a process of becoming the self that one is through the otherness of self experience that is the body the world other people and god this book should be of interest to philosophers theologians literary studies scholars and anyone with an interest not only in kierkegaard but also in human identity

thanks to the publication of plato and the other companions of sokrates george groves was renowned as the greatest nineteenth century plato scholar in the reface to this book the author says he s chosen the characters of plato and socrates as they are interesting and important characters in philosophy and history the personality of socrates has become legendary yet the period of his greatest achievement coincided with work and life of other important philosophers this book tells about important leaders of thought from the socrates circles xenophon kriton protagoras parmenides menon and others it may be used as a supplementary source for learning philosophy and for individual research on the history of philosophy according to the author this book is a sequel and

supplement to his major opus the history of greece

richmond lattimore one of the most distinguished living translators of greek has in this book completed his rendering of the new testament in fresh and accurate english for the modern reader the publication of his translation of the four gospels and the revelation in 1979 was hailed by the new york times book review as an achievement that places us more deeply in lattimore s debt than any other in a long diligent career the acts of the apostles which he calls the earliest consecutive story of early christianity that we have and the three groups of letters of the apostles those of saint paul the letter to the hebrews and the general letters are now made available to complete the new testament in his translation his aim again has been to provide a simple literal rendering in which the syntax and order of the greek dictate the character of the english style lattimore as an authority on the greek language in which these texts have come down to us and as a writer without pretensions as a biblical scholar allows the words of the apostles and earliest disciples to speak for themselves with accuracy and fidelity to the greek the book s design follows the attractive and readable format of the four gospels and avoids the usual apparatus of biblical texts
