how does a troubled boy from california would come to be one of the world s most renowned aviators how does a group of brothers who were high school dropouts go from new hampshire go on to build some of the most advanced aircraft of the time how do these men become forever linked to one of the greatest air races in history this is the story of jimmy doolittle the granville brothers and the amazing gee bee r 1 racer

this pioneering study provides a critical appraisal of pop star kylie minogue it argues that a study of this mononymous global pop icon and

celebrity as kylie she takes her place alongside cher madonna and beyoncé in the pop pantheon is long overdue written by academics music practitioners and fans this book argues that minogue's persona performances and reception provide new critical insights into contemporary pop music culture digital media and celebrity it further argues that dismissals of kylie underestimate her accomplishments as a pop artist and singer songwriter and undermine fans of pop music who form deep affective bonds with performers songs and albums contributors draw on current perspectives in pop music studies feminism celebrity studies fandom and queer studies a range revealing that to interpret kylie is to engage compelling cultural frameworks across four parts pop girlhood global kylie dance music and queer and online fandoms the book demonstrates how minogue herself makes important interventions into contemporary popular culture with her career providing a micro history of pop music its myriad cultural meanings and its fan practices with this collection kylie minogue studies has arrived

with the 100th anniversary of his birth on september 7 2015 dick cole has long stood in the powerful spotlight of fame that has followed him since his b 25 was launched from a navy carrier and flown toward japan just four months after the attack on pearl harbor in recognition the tremendous boost doolittle's raid gave american morale members of the tokyo doolittle raiders were awarded the congressional gold medal in may 2014 doolittle's raid was only the opening act of cole's flying career during the war when that mission was complete and all of the 16 aircraft had crash landed in china many of the survivors were assigned to combat units in europe cole remained in india after their rescue and was assigned to ferrying command flying the hump of the himalayas for a year in the world's worst weather with inadequate aircraft few aids to navigation and inaccurate maps more than 600 aircraft with their crews were lost during this monumental effort to keep china in the war but cole survived and rotated home in 1943 he was home just a few months when he was recruited for the first air commandos and he returned to india to participate in project 9 the aerial invasion of burma

an emotional slow burn grumpy sunshine queer mid century romance for fans of evvie drake starts over about grief and found family between the new star shortstop stuck in a batting slump and the reporter assigned to reluctantly cover his first season set in the same universe as we could be so good the 1960 baseball season is shaping up to be the worst year of eddie o'leary's life he can't manage to hit the ball his new teammates hate him he's living out of a suitcase and he's homesick when the team's owner orders him to give a bunch of interviews to some snobby reporter he's ready to call it quits he can barely manage to behave himself for the length of a game let alone an entire season but he's already on thin ice so he has no choice but to agree mark bailey is not a sports reporter he writes for the arts page and these days he's barely even managing to do that much he's had a rough year and just wants to be left alone in his too empty apartment mourning a partner he'd never been able to be public about the last thing he needs is to spend a season writing about new york's obnoxious new shortstop in a stunt to get the struggling newspaper more readers isolated together within the crush of an anonymous city these two lonely souls orbit each other as they slowly give in to the inevitable gravity of their attraction but mark has vowed that he'll never be

someone's secret ever again and eddie can't be out as a professional athlete it's just them against the world and they'll both have to decide if that's enough

a celebration of the australian pop icon who topped album charts across five decades kylie minogue is an australian pop icon who has sold over 80 million records worldwide the pint sized pop princess showed us she had the wow factor when she first graced our screens as charlene mitchell in neighbors in 1986 she did it again and again and again through her numerous incarnations from her early days as pwl's pop puppet to the ultimate puppet master that she has transformed into today kylie achieved a massive musical milestone in 2020 being the first woman to top the album charts in five consecutive decades she is one of our nation's most beloved pop princesses or arguably if you ask her legion of fans me included the most beloved pop queen kylie minogue album by album explores in detail ms minogue's extensive repertoire spanning more than three decades it commemorates this unique artist's genuinely exceptional unmatched and often underappreciated career the author is both a fan and a music critic who examines kylie's life and career from both perspectives you will discover how kylie became a pop icon how she reinvented herself over the years and how she influenced the music industry with her style and sound this book is not just another biography or discography critique it is a unique analysis of kylie's musical legacy and cultural impact whether you are a die hard fan or curious listener this book will give you a deeper appreciation of kylie minogue and her music

Michel Paradis's Last Mission to Tokyo a superb The Wall Street Journal and engrossing richly researched The New York Times book review account of a key but underreported moment in world war ii the Doolittle raids and the international war crimes trial in 1945 that defined the Japanese American relations and changed legal history in 1942 freshly humiliated from the attack on Pearl Harbor the United States was in search of a plan president Roosevelt determined to show the world that our nation would not be intimidated or defeated by enemy powers demanded recommendations for a show of strength Jimmy Doolittle a stunt pilot with a doctorate from MIT came forward and led eighty young men gathered together from the far flung corners of depression era America on a seemingly impossible mission across the Pacific sixteen planes in all they only had enough fuel for a one way trip together the raiders as they were called did what no one had successfully done for more than a thousand years they struck the mainland of Japan and permanently turned the tide of the war in the Pacific almost immediately the Doolittle raid captured the public imagination and has remained a seminal moment in world war ii history but the heroism and bravery of the mission is only half the story in Last Mission to Tokyo Michel Paradis reveals the dramatic aftermath of the mission which involved two lost crews captured tried and tortured at the hands of the Japanese a dramatic rescue of the survivors in the last weeks of world war ii and an international manhunt and trial led by two dynamic and opposing young lawyers in which both the United States and Japan accused the other of war crimes that would change the face of our legal and military history perfect for fans of Lucky 666 and Nuremberg infamy on trial Last Mission to Tokyo is an unforgettable war story meets courtroom drama that captures the reader with the first

sentence and never lets go john grisham

this book tells the story of the iconic band formed by howard devoto when he left the buzzcocks this revised and updated edition brings the story bang up to date already tired of the thrash and unrelenting nature of punk rock devoto wanted to combine the elements of avant garde and pop this he did with shot by both sides the best rock roll record of 1978 punk or otherwise rolling stone followed by their first album real life three more equally acclaimed albums followed before magazine disbanded with unique access to the band and interviews with the great and the good of the 1980s and iconic musicians of today helen chase presents a riveting insight into the world of punk and beyond placing the band in the context of the manchester music scene she explains why the band has such a solid fan base and why magazine had decided to re form for live gigs some 30 years since they first took to the stage magazine was formed by howard devoto in 1977 bringing together some of the finest and most innovative musicians of the era the core line up with devoto included john mcgeoch barry adamson dave formula and john doyle the band had its roots in punk but had a greater emphasis on lyrical content whilst combining elements of avant garde pop funk and rock the band has maintained a cult following which was rewarded in 2009 when the band decided to reform whilst working on solo material dave formula reopened communication lines between the key players and a series of re union gigs was planned and received to wide acclaim buoyed by this a studio album of new material no thyself followed in 2011 along with another foray onto the live scene magazine are a greatly respected and hugely influential band and their music remains fresh and relevant today
