offers a personal account of the nazi occupation of latvia and the germans execution of more than thirty thousand jews in the rumbuli forest near the city of riga

the first full length feminist dialogue with holocaust theory theology and social history considers women s reactions to the holy in the camps at auschwitz

the most commonly asked and bitterly debated question about germans during the nazi era is how much did they know were they aware of what was being committed

in their name as Mary Fulbrook argues in this haunting and original new book that's the wrong question to ask it's not what people knew it's what they did with what they knew

Valdis Lumans provides an authoritative balanced and comprehensive account of one of the most complex and conflicted arenas of the second world war struggling against both Germany and the Soviet Union Latvia emerged as an independent nation state after the first world war in 1940 the Soviets occupied neutral Latvia deporting or executing more than 30 000 Latvians before the Nazis invaded in 1941 and installed a puppet regime the Red Army expelled the Germans in 1944 and reincorporated Latvia as a Soviet republic by the end of the war an estimated 180 000 Latvians fled to the west the Soviets would deport at least another 100 000 drawing on a wide range of sources many brought together here for the first time Lumans synthesizes political military social economic diplomatic and cultural history he moves carefully through traditional sources many of them partisan to scholarship emerging since the end of the cold war to confront such issues as political loyalties military collaboration resistance capitulation the Soviet occupation anti-Semitism and the Latvian role in the Holocaust

stands without doubt as the definitive reference guide on this topic in the world today Holocaust and Genocide Studies this volume of the extraordinary encyclopedia from the United States Holocaust Memorial Museum offers a comprehensive account of how the Nazis conducted the Holocaust throughout the scattered towns and villages of Poland and the Soviet Union it covers more than 1 150 sites including both open and closed ghettos regional essays outline the patterns of ghettoization in nineteen German administrative regions each entry discusses key events in the history of the ghetto living and working conditions activities of the Jewish councils Jewish responses to persecution demographic changes and details of the ghetto's liquidation personal testimonies help convey the character of each ghetto while source citations provide a guide to additional information documentation of hundreds of smaller sites previously unknown or overlooked in the historiography of the Holocaust make this an indispensable reference work on the destroyed Jewish communities of Eastern Europe a very detailed analysis and history of the events that took place in the towns villages and cities of German occupied Eastern Europe a rich source of information library journal focuses specifically on the ghettos of Nazi occupied Eastern Europe stands without doubt as the definitive reference guide on this topic in the world today this is not hyperbole but simply a recognition of the meticulous collaborative research that went into assembling such a massive collection of information Holocaust and Genocide Studies no other work provides the same level of detail and supporting material choice

the purpose of this work is to give voice to the very words used by the victims

as a youngster Boris Kacel enjoyed a carefree life with his family in Riga Latvia until 1941 when German troops crossed the Ukraine border now in his later years Kacel felt

compelled to detail his experiences of man's inhumanity to man and his fight for survival during the holocaust lest these atrocities be forgotten kacel will contribute the proceeds of this book to preserve the memory of the vanished jewish community of riga latvia 20 illustrations

brent explores the fate of lev aronson first cellist for the latvian orchestra and the prized instruments that passed through his hands as a way of understanding what was lost and preserved during the holocaust aronson's life leads him through the russian revolution pogroms and cold war berlin to the united states and he is forced to reshape his identity in each chapter of his life in order to survive a moving portrait of being jewish in russia the brutalities of the camps and the status of refugees in berlin and america

a history of the holocaust in latvia focusing on the question of the involvement of latvians in its implementation contends that extant historiography on the holocaust in latvia has been greatly influenced by soviet publications which tend to vilify the baltic and ukrainian peoples examination of documents and witnesses accounts shows that there were no spontaneous killing actions on the part of latvians during the occupation the killing was initiated and basically perpetrated by the nazis mainly by einsatzgruppe a before the war traditional antisemitism was prevalent in latvia but not modern racist theories the regime of ulmanis 1934-40 was not antisemitic the main antisemitic organization in prewar latvia perkonkrusts supplied mainly writers not killers dwells on the arajs commando created by the nazis in 1941 which killed tens of thousands of jews in latvia russia and belarus the contribution of the latvian auxiliary police to the holocaust was smaller describes the extermination of jews in riga liepaja daugavpils rezekne ventspils and other places in some of which ghettos were established and nazi camps in latvia kaiserwald salaspils and others

it took the japanese fleet twenty two days to sail from japan to pearl harbor the same twenty two days that witnessed the german assault on moscow and the crusader battles in north africa the germans failed to knock the soviets out the japanese succeeded in bringing the americans in these twenty two days sealed their mutual fate with each chapter structured around one of the twenty two days leading up to pearl harbor sealing their fate narrates the battles the preparations for battle the diplomatic manoeuvres and the intelligence wars the story shifts from snowbound

russian villages to the stormy northern pacific from the north african desert to europe s warring capitals and from tokyo to washington the book features a host of ordinary soldiers sailors and airmen and those political and military figures who played a key role in the war taking the momentum of the japanese fleet sealing their fate works as an exciting countdown other countdowns the gradual halting of the german advance in russia the erosion of rommel s resources in north africa the institutionalization of the holocaust is worked into this basic structure as winston churchill memorably remarked hitler s fate was sealed mussolini s fate was sealed as for the japanese they would be ground to powder all the rest was merely the proper application of overwhelming force

when we think about judaism we often focus on mechanical repetition and cookbook like observances and rules yet according to author lewis d solomon the ceremonies rituals and all the accompanying rules and regulations are the byways of judaism not its highways or its essence for many the ceremonies and rituals although designed to open and touch the spiritual dimension of existence often block their spiritual life and vitality jewish spirituality revitalizing judaism for the twenty first century offers the vision of a personal intimate experience of a living god as the source of health joy love abundance and wholeness it is designed to help us meet and surmount our daily problems as well as the crises we all face in living and ultimately in dying true to its practical orientation jewish spirituality focuses on an approach to living that is liberating promotes and unfolds our inner human possibilities and helps us realize our highest self as well as those of others around us
