entire neighborhoods in cities across the united states have become open air asylums drug markets and impoverished wastelands where death misery crime addiction encampments fires disease and even human waste aren't just tolerated but normalized how is this possible when billions of taxpayer dollars have been funneled into homelessness initiatives such as housing first the truth is that the money poured into this issue from taxpayers non profits and private charities alike has mostly made homelessness worse overall and governments failures haven't just wasted taxpayer dollars it has cost lives and undermined human dignity this isn't just incompetence it's immoral and unjust and it must end in beyond homeless good intentions bad outcomes transformative solutions mary l g theroux lawrence j mcquillan adam b summers and other scholars present a better approach rooted in proven solutions this groundbreaking new book based on years of research is exactly what's needed to address the crisis with forewords from acclaimed addiction medicine specialist and tv host dr drew pinsky and licensed master social worker scott ackerson the book gathers experts on every aspect of homelessness to present a stirring condemnation of the status quo and an inspiring vision for the future drawing on real life stories cutting edge research and alternative programs with metric driven successes they make the case for individualized holistic interventions that actually work discover how housing first initiatives have become governments default response to homelessness and why they fail why permanent supportive housing psh isn't just ineffective but dangerous how political interests fuel the homelessness industrial complex resulting in ever increasing spending while falling further behind the inspiring success of real alternatives such as haven for hope in texas and union rescue mission in los angeles policy changes that would truly ease the crisis for the unhoused and housed alike without breaking the bank the

difference between responsible and irresponsible forms of harm reduction and much much more at the heart of this crisis are real people those experiencing homelessness and the residents who see their neighborhoods crumble both have paid a high price for failed policies both deserve better the good news we can do better beyond homeless good intentions bad outcomes transformative solutions shows us how

this important text provides a comprehensive survey of homelessness in america its scope and causes its diverse populations and the array of responses at the individual community and systems levels expert contributors explore the links between trauma and homelessness the cycle of homelessness and health mental health problems and barriers preventing people from accessing services case studies of effective programs and practices focus on science based interventions broad understanding of client needs and close coordination between systems and agencies finally specialized chapters discuss issues and experiences common to homeless youth and young adults including housing instability on college campuses and empowerment based strategies for engaging youth voice in programming included in the coverage homelessness and health disparities a health equity lens affordable housing and housing policy responses to homelessness street talk homeless discourses and the politics of service provision multisectoral collaborations to address homelessness trauma informed care in homelessness service settings challenges and opportunities incorporating youth voice into services for young people experiencing homelessness homelessness prevention and intervention in social work fills a critical gap in the social work curriculum as a main or a supplementary text it also makes an accessible resource for clinicians and community practitioners seeking current knowledge on the topic practical approaches to working with clients experiencing homelessness and useful information for effective program and policy design

homeless people with mental disorders and neuropsychiatric diseases are ubiquitous in space and time in mankind s history psychosis personality disorders drug abuse and other brain illnesses represent a true challenge to medicine and society homeless people could be indeed brought to the attention of marontology an unborn specialty of medicine already suggested

after the greek word marontos which means unwanted homelessness is one of the most critically important issues of the contemporaneous world without a solution in sight so more research in areas such as psychiatry psychology and human neuroscience is needed for a better understanding of the phenomenon

in present day south africa urban development agendas have inscribed doctrines of desirable and undesirable life in city spaces and the public that uses the space this book studies the ways in which segregated city spaces displacement of people from their homes and criminalization practices are structured and executed sara dehkordi shows that these doctrines are being legitimized and legalized as part of a discursive practice and that the criminalization of lower class members are part of that practice not as random policing techniques of individual security forces but as a technology of power that attends to the body zooms in on it screens it and interrogates it

hallett and skrla have provided a well timed guide that districts and schools can use to begin meeting these much needed expectations and improve outcomes for this often invisible population of students journal of children and poverty first edition this popular book is an important professional development tool for practitioners and an essential textbook for teacher administrator and school counselor degree programs this new edition of serving students who are homeless provides updated guidance to help p 20 educators support students who face significant barriers affecting school access and success due to homelessness and housing insecurity taking a solutions oriented approach the authors include resources for educators and leaders working at school sites as well as the district county and state level educators that support the implementation of promising practices for the second edition the authors add resources and activities based on lessons learned from current research and feedback from schools and districts that use this book for professional development expanded applications to practice sections appear at the end of each chapter also new to this edition author ann aviles brings deeper insights into how schools and districts can more effectively collaborate with community and social service organizations book features guidance related to

interpreting federal mandates and implementing promising practices within the local context resources and activities to run a professional learning community or book study additional support for leveraging community partnerships to support students and families case studies that include the voices of students families educators and leaders exploration of how to engage with key social issues that are currently volatile within the political context that educators schools districts and boards navigate new tools in the appendix to encourage educators to reflect on their practice and make better decisions about how to support students and families experiencing homelessness
