many people are moving over to online courses and remote learning to grow their intellect and to help them in their education according to suddenly online an online survey found that almost half of college students had never taken an online course prior to the pandemic in 2020 over the last 6 months though the use of online courses has increased by 57 since all universities transitioned to remote learning during the spring 2020 semester even as the pandemic settles down though it is expected that the prominence of online learning will remain this is a shocking increase in online learning that proves the importance of online course options in the modern world creating online courses is profitable on top of the numerous benefits for students that come with online learning creating online courses can have great benefits for the creators too the reason for this is that online course creators can charge for their courses resulting in an increased income in fact most online course creators make anywhere from 1 000 to 5 000 a month and some even make more than that anyone can create a course no matter what niche you are in or expertise you have there are courses on building better habits to becoming a better hockey player courses on getting out of toxic relationships or recovering from hurt or pain even courses on how to do certain things to save more time like house cleaning with less hassle unfortunately creating an online course can be difficult if you have never done so before as a result many people are deterred from creating their own courses why most fail trying to create an online course the reason that many people find creating an online course difficult is that it requires some technical know-how there are a lot of moving pieces when it comes to creating an online course you must be able to research topics use course platforms create lessons upload lessons and videos use video editing software and utilize email marketing and social media for people unfamiliar with this sort of work the thought of creating an online course can be stressful thus they are discouraged from tackling the project of creating an online course i've got the solution for you knowing the best online tools and marketing techniques are the keys to creating a financially successful online course many people assume that they have to be well-versed in technology before starting the project which causes them to put off creating their online courses but that is simply not true in contrast anyone from a beginner to an experienced marketer can create a successful online course you just have to know the best beginner-friendly tools to help you get started once you discover these tools and tips you will be able to create your online course in no time very few people know about these beginner-friendly tools and tips though which is why we have created this detailed and informative guide about launching your online course with this guide you will gain key insights on course design creation editing and launching allow me to introduce to you launch your online course is a step-by-step guide that helps you turn your knowledge passion and skills into online courses to reach more people and create passive income who this book is not for if your primary purpose to create online courses is just to make money then this book is not for you in this book i'm teaching you different ways of presenting your online course but you are going to be part of your students all the time and every step of the way your course becomes your business and if your primary purpose is not helping people then this book is not for you people before profits

would you like to learn the secrets of online courses do you also want to keep up with the times adopting the most modern technologies and techniques to create an online course making money with it the world today is characterized by digitalization increasingly processes and activities are managed effectively remotely and people are making use of increasingly smart forms of communication online training is accessible for everyone everywhere whether we are at home or in the subway or in our favorite restaurant all you need is a smartphone to comfortably access online lessons study and at the same time enjoy the environment in which we find ourselves change isn't simple but you must change this guide will make you stride by step through all that you have to do from set up the equipment to create and sell your final course you will find how to defeat virtual teaching difficulties and arrive at your teaching objectives without <sup>vis</sup> <sub>vis</sub> gatherings you will learn how develop an online course and switch from traditional approach of teaching in a school to new era how to reach students attention through digital transformation what is the minimum technical equipment the most effective method to create an online course and the most important software for your scope and how to create a funnel how to sell your course the secrets of high ticket course tools tips tricks and much more don't waste your time get effective guidance that leads you straight to your goal ensure success buy your book now you are just a simple click away

making the move to elearning proposes a radical truth that online education when taught using the methodology perfected by successful veterans of distance learning surpasses traditional face to face teaching and learning the key is for online educators to learn just what those successful methods are and how to emulate them in their own virtual courses making the move to elearning is the textbook for new and veteran online teachers who want to learn or refine their online facilitation skills

in the current educational environment there has been a shift towards online learning as a replacement for the traditional in person

classroom experience with this new environment comes new technologies benefits and challenges for providing courses to students through an entirely digital environment with this shift comes the necessary research on how to utilize these online courses and how to develop effective online educational materials that fit student needs and encourage student learning motivation and success the optimization of these online tools requires a deeper look into curriculum instructional design teaching techniques and new models for student assessment and evaluation information on how to create valuable online course content engaging lesson plans for the digital space and meaningful student activities online are only a few of many current topics of interest for promoting student achievement through online learning the research anthology on developing effective online learning courses provides multiple perspectives on how to develop engaging and effective online learning courses in the wake of the rapid digitalization of education this book includes topics focused on online learners online course content effective online instruction strategies and instructional design for the online environment this reference work is ideal for curriculum developers instructional designers it consultants deans chairs teachers administrators academicians researchers and students interested in the latest research on how to create online learning courses that promote student success

this book explores best practices for designing and teaching online courses using various instructional methods and models it reviews literature proposes guidelines and offers strategies for engagement

are you ready to sell your first online course we live in a fast world being able to include an important growth activity such as training within our days without necessarily having to give up obligations and needs could really make our life easier online training is accessible for everyone everywhere whether we are at home or in our favorite internet caf? all you need is a pc and an internet connection to comfortably access online lessons study and at the same time enjoy the environment in which we find ourselves this is why it is estimated that online learning will exceed 240 billion by 2021 you will learn how to teach online how to select a topic how to test your idea by creating a beta version of your course the equipment and software you need how to make your lessons motivating how to monetize and launch your course several marketing strategies and much more it is now very easy to create and sell a course online thanks to the new platforms and tools available on the web once the course is created you can resell it over and over again and this will generate a passive income creating an online course can be the first step to change your life forever i have read and met in person many online entrepreneurs who have gone from barely reaching the end of the month to making hundreds of thousands of dollars with their online business every year but all that glitters is not gold success stories like these as in the case of great sportsmen for example didn t come for a wish or a prayer but instead happen when a well designed action plan is followed by actual action i firmly believe that anyone in the world can successfully create a profitable online course they just have to do their best for themselves and their business are you ready scroll up and get your copy today

do you want an effective instructional course that provides you with knowledge on how to be profitable practical and successful an online course is a training program that is delivered on the internet so that people can access the training irrespective of where they live they don t have to travel to a particular location to access the training program and they can watch it from the comfort of their homes or while they are in a moving vehicle as long as they have a device that has access to the internet they can also watch the training from their smartphone tablet or laptop an online course consists of pre recorded lessons which could be in video audio or text format they are usually arranged sequentially in an easy to follow manner so that anybody taking the course can easily understand what is being taught this book covers brief history of online courses reasons to create an online course today challenges of online education common mistakes and how to avoid them choose a niche course objectives how to structure the course course creation phase course lecture outline finding where to make corrections setting up the online course business best platform to publish the course market the course useful tools and so much more there are two major types of online courses mini courses and transformational courses mini courses focus on helping students learn a skill or make slight improvements they usually consist of only lessons pdf workbooks and resource guides as the participants would be expected to go through the lessons on their own transformational courses on the other hand focus on helping the students to go through a complete transformation every step of the way they need some form of additional support and mentoring from the course creator in addition to the lessons workbooks and resource guides the course creator would be expected to be available to answer questions and give feedback the length of time it will take your student to go through your online course is usually dependent on what type of online course it is mini courses are not complicated and the lessons can be consumed in a short period transformational courses take more time because it takes a while to get people to change a good one should last for 60 90 days anything longer than 90 days is usually too long as your students might get tired or lose interest google is undoubtedly one of the best things that happened in our lifetime but it is only a search engine it curates information anytime you search for a phrase it gives you too much information and many times people don t know where to start from or which of the information is relevant in the fast paced society we live in a lot of people are looking for exact systems and formulas that can help them get the results they desperately need they don t have the time to search through all the information they find on google testing them out one after the other to see which will work and which ones won t they are looking for exact results and a proven system to help them get those results this is what online courses offer click and buy now
