essek william kenyon 1867 1948 has virtually escaped scholarly notice and yet his influence on the twentieth century church is profound of particular note is kenyon s influence on william durham that apparently led to the first major split in pentecostalism kenyon s own evangelistic work was thoroughly interdenominational touching every major protestant denomination of his day e w kenyon and the postbellum pursuit of peace power and plenty is the most comprehensive biography of kenyon available today it explores his influence on the pentecostal charismatic movements

and likewise illuminates the practice of intuition and mysticism from which the 20th century message of peace power and plenty emerged contains nine black and white photographs bibliography and index

this book is about the boisterous beginnings of the american pentecostal movement and the ideas that defined that movement during those formative years it follows a group of men who rethought the christian faith in light of their new experience of god thinking in the spirit aims to provide scholars and general readers who know little or nothing about pentecostalism with an introduction to the ideas of the movement s most articulate early spokespersons and to provide pentecostals with a non judgmental historical source to help them in their theological reflections douglas jacobsen focuses on the individuals who formed the original brain trust of this now gigantic religious movement in a 25 year burst of creative energy at the beginning of the 20th century these leaders articulated almost all the basic theological ideas that continue to define the pentecostal message in the united states and around the world

f f bosworth was the only major living link between the late nineteenth century divine healing movement that gave birth to pentecostalism and the post world war ii healing revival that brought pentecostalism into american popular culture at once on the fringes and in the mainstream of american pentecostalism bosworth has largely been ignored by historians richmann demonstrates that bosworth s story not only draws together disparate threads of the pentecostal story but critiques traditional interpretations of speaking in tongues azusa street denominational affiliation divine healing the relationship to fundamentalism the word of faith movement and eschatology in this critique richmann provides a much needed critical biography of bosworth as well as a fresh interpretation of pentecostalism

what does identification mean it means our complete union with jesus in his substitutionary sacrifice the teaching of identification is the legal side of redemption it unveils to us what god did for us in christ from the time he went to the cross until he sat down at the right hand of the father christ became one with us in sin so that we might become one with him in righteousness he became as we were so that we might be as he is now in identification we have one of the

richest phases of redemption there is a twofold oneness first his oneness with our sin and humanity on the cross second our oneness with him in his glory on the throne these teachings unveil who we are in christ and how the father sees us in the son the vital aspect of redemption is what the holy spirit through the word is doing in us now when these truths really gain the ascendancy in our lives they will make us spiritual supermen it will be the end of our spiritual weakness and failure we will no longer struggle for faith for all things are already ours we will no longer pray for power for christ is in us we will no longer feel the awful bondage of sin consciousness for we are the righteousness of god in christ

believe it or not as they stood at the foot of the cross the original disciples who walked in close companionship with jesus knew nothing of the real mission of the man they followed they did not realize who christ was why he came why he had to suffer and what was to be gained by his suffering they did not know what happened on the cross or during the three days and nights in the tomb before his resurrection they did not know why the incarnation was important or that it even was an incarnation all they could see was the undeserved suffering of their friend and rabbi now legendary bible teacher e w kenyon reveals hidden truths there were not fully understood until the pauline revelation of the epistles until god revealed these truths to the apostle paul no one understood why christ came why his death on the cross was necessary or what exactly occurred in the tomb they did not comprehend the good news that because of these events we now become the righteousness of god people who can stand in god s presence without a sense of guilt shame or inferiority this is the miracle of redemption and the miracle of new creation it is the confidence to overcome the devil to heal disease and to call lazarus out of the tomb to this day far too many believers share the disciple s view of jesus a biographical account of the things he did the words he spoke and the suffering he endured because of this limited revelation their christian faith will experience the same fears and doubts the disciples were left with the day jesus was crucified like the apostles at pentecost we must move beyond sense knowledge and into the spirit realm we must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith

mankind's great body of knowledge has come to us through the five senses. Sense knowledge can see the handiwork of God and can see the design in creation but it cannot find the designer in fact it's often unwilling to admit that there is a designer because it cannot see, hear, taste, smell or touch him. Sense knowledge says that faith cannot produce miracles it does not know why we were created nor can it tell us the source of life, light, motion, gravity or hundreds of other things but revelation knowledge holds all of these answers and more in the two kinds of knowledge God's wisdom is greater than our senses. E. W. Kenyon explains how we can discover the wisdom of God in his word this new kind of knowledge which the secular world cannot grasp brings us to a new kind of life taking us out of our failures and weaknesses to fill our hungry hearts with love, faith and grace.

a balanced biblical examination of the word of faith movement that helps readers sort through the controversies and recognize sound scriptural teachings

this personal evangelism course was birthed out of the driving passion of E. W. Kenyon's life he desired to win people to Christ and to train others to make this passion their life's work as well. Kenyon encourages us to make soul winning the business of our lives much practical instruction and skillful use of the scriptures is included in the course you will grow in confidence in your ability to bring others to Christ as you familiarize yourself with these simple truths learn about the many ways to approach the unbeliever and the different types of unbelievers you will encounter winning the lost in E. W. Kenyon's thinking is the natural outworking of the love of God that is shed abroad in our hearts by the Holy Spirit evangelism is for every believer regardless of calling book jacket

Christianity has revealed the secret that psychologists have long sought the inward soul the re-created spirit the focus of God's great redemptive work on earth the four gospels give us a wonderful picture of the lonely man of Galilee the humble messiah who ends his earthly walk on Calvary but Paul's epistles give us the risen triumphant one the conqueror of death sin and Satan he provides the revelation of what happened on the cross and in the tomb and how that affects who and what we are in Christ today legendary Bible teacher E. W. Kenyon delves deeply into Paul's teaching to give us a living picture of the entire substitutionary work of Christ which made possible the new creation a new race

of men and women who can stand in god s presence without a sense of guilt condemnation or inferiority

believe it or not as they stood at the foot of the cross the original disciples who walked in close companionship with jesus knew nothing of the real mission of the man they followed they did not realize who christ was why he came why he had to suffer and what was to be gained by his suffering they did not know what happened on the cross or during the three days and nights in the tomb before his resurrection they did not know why the incarnation was important or that it even was an incarnation all they could see was the undeserved suffering of their friend and rabbi now legendary bible teacher e w kenyon reveals hidden truths that were not fully understood until the pauline revelation of the epistles until god revealed these truths to the apostle paul no one understood why christ came why his death on the cross was necessary or what exactly occurred in the tomb they did not comprehend the good news that because of these events we now become the righteousness of god people who can stand in god s presence without a sense of guilt shame or inferiority this is the miracle of redemption and the miracle of new creation it is the confidence to overcome the devil to heal disease and to call lazarus out of the tomb to this day far too many believers share the disciple s view of jesus a biographical account of the things he did the words he spoke and the suffering he endured because of this limited revelation their christian faith will experience the same fears and doubts the disciples were left with the day jesus was crucified like the apostles at pentecost we must move beyond sense knowledge and into the spirit realm we must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith

includes part 1a books and part 1b pamphlets serials and contributions to periodicals

the two kinds of life discover the lost truth that jesus came to give us explains how to receive eternal life through christ satan has no power when we are in christ the expression in christ is one of the key phrases in the epistles however many of us find that who we were before we found christ so dominates our minds that we forget we are now in him we belittle our redemption and magnify our failures our weakness is ever with us we have the cross religion rather than the resurrected life of the son of god with love patience and grace legendary bible teacher e w kenyon explains what

we are in christ and what this means from heaven s point of view god is our ally no matter what our circumstances we are in him now seated in the highest place in the universe and all it requires is simple faith on our part to bring the power of god to bear upon our needs whether for spirit soul body finances or deliverance kenyon says no matter where you are in your faith journey you will find reassurance and joy when you realize what we are in christ
