this book demonstrates the ways in which virgil's are poems that heaney lived with long and dreamily especially the descent  
into the underworld in aeneid vi it shows that in his original english poems as well as his translations from latin heaney conjures  
and transforms familiar virgilian motifs the rhythm pace and musicality of virgil's hexameters can be heard in heaney's pastoral  
eclogues and sonnet sequences and virgil's life and times as well as his poetry contribute to the shaping of heaney's prose  
poetics in dialogue with virgil as well as other classical and modern poets heaney develops his notion of the redress of poetry  
the counterbalance that poetry can offer against historical tragedy suffering and loss the book explores heaney's intensely

productive thirty year dialogue with virgil beginning with his translation of the golden bough in the 1980s and extending through several major volumes including seeing things the midnight verdict electric light district and circle the riverbank field human chain and the posthumously published translation of aeneid book vi

the role of the poet mary kinzie writes is to engage the most profound subjects with the utmost in expressive clarity the role of the critic is to follow the poet word for word into the arena where the creative struggle occurs how this mutual purpose is served ideally and practically is the subject of this bracingly polemical collection of essays a distinguished poet and critic kinzie assesses poetry s situation during the past twenty five years ours she contends is literally a prosaic age not only in the popularity of prose genres but in the resultant compromises with truth and elegance in literature in essays on the rhapsodic fallacy confessionalism and the romance of perceptual response kinzie diagnoses some of the trends that diminish the poet s flexibility conversely she also considers individual poets randall jarrell elizabeth bishop howard nemerov seamus heaney and john ashbery who have found ingenious ways of averting the risks of prosaism and preserving the special character of poetry focusing on poet louise bogan and novelist j m coetzee kinzie identifies a crucial and curative overlap between the practices of great prose writing and great poetry in conclusion she suggests a new approach for teaching writers of poetry and fiction forcefully argued these essays will be widely read and debated among critics and poets alike

in this very short introduction bernard o donoghue explores the many different forms of writing which have been called poetry from the greeks to the present day he considers the varying status and uses of poetry and engages with contemporary debates as to what value poetry holds today
