ministry with youth in crisis is a comprehensive treatment of major adolescent crises related to life themes including self identity
faith formation family life social relationships sexuality suicide substance abuse and eating disorders the distinctiveness of this

book is that it offers a fine blend of solid research workable theory and specific strategies for successfully ministering to and with youth in crisis furthermore it emphasizes the caring and sensitive side of working effectively with adolescents experiencing both normal and extreme crisis situations this volume therefore is both descriptive and prescriptive in nature in that it describes the world teens live in and offers biblical responses for ministry

in this issue of child and adolescent psychiatric clinics guest editors drs kimberly gordon achebe rupinder k legha and michelle p durham bring their considerable expertise to the topic of home and community based services for youth and families in crisis top experts in the field discuss strategies to empower pediatric communities and their families in times of crisis by optimizing community partnership with preventative and crisis response interventions for de escalation and stabilization expanding financial supports for community and home based mental health services promoting community oriented emergency psychiatry and mobile crisis service delivery and promoting local state and federal policy intervention for systems of care that focus on the collective health and well being in environments of children and their families contains 15 relevant practice oriented topics including federal state and local mental health policy interventions in response to the pediatric mental health crisis from the covid pandemic trauma informed response and prevention of mental health crisis in schools using a culturally responsive antiracist and equitable care framework coordinated systems of care approaches for pediatric emergency and crisis stabilization mobile treatment and wraparound services integrating the attachment regulation and competency arc trauma informed framework in inpatient day treatment partial hospitalization residential and community based treatment settings understanding the social and structural determinants for special populations related to suicide prevention in the bipoc and lgbtqi communities and more provides in depth clinical reviews on home and community based services for youth and families in crisis offering actionable insights for clinical practice presents the latest information on this timely focused topic under the leadership of experienced editors in the field authors synthesize and distill the latest research and practice guidelines to create clinically significant topic based reviews

identity youth and crisis collects erik h erikson s major essays on topics originating in the concept of the adolescent identity crisis identity erikson writes is an unfathomable as it is all pervasive it deals with a process that is located both in the core of the individual and in the core of the communal culture as the culture changes new kinds of identity questions arise erikson

comments for example on issues of social protest and changing gender roles that were particular to the 1960s representing two decades of groundbreaking work the essays are not so much a systematic formulation of theory as an evolving report that is both clinical and theoretical the subjects range from creative confusion in two famous lives the dramatist george bernard shaw and the philosopher william james to the connection between individual struggles and social order race and the wider identity and the controversial womanhood and the inner space are included in the collection

you've seen it on the news too many times to count school shootings adolescent addictions bullying eating disorders depression and suicide cutting pregnancy there is no lack of bad news to be told about teenagers today maybe you believe that will never happen to my child and maybe it won't but crises aren't always the stories that make the evening news the spectrum of crises an adolescent may face can range from something as seemingly harmless as getting caught cheating on a test to dealing with the breakdown of the family to acting out and getting in trouble with the law and the reality is that someone they know will likely experience some kind of crisis and that can affect your teen significantly either way when a crisis affects your teen wouldn't you want to be prepared rich van pelt and jim hancock both of whom have raised teenagers into adulthood and have spent decades in youth ministry and crisis management bring together their expertise and insight to help you identify and understand what a crisis is and how you can help your teen live and grow through it inside you'll find practical responses for issues like suicidal thoughts or behavior accidents cheating death of a friend or loved one divorce eating disorders hazing pregnancy sexual abuse sexual identity confusion substance abuse or addiction and more in addition to learning appropriate responses to crises you'll learn how to prevent some of these issues and how to get professionals involved when necessary whatever it is your teen is dealing with your influence in their life is still the most important one so be prepared to walk them through their crisis with wisdom compassion and the tools to help them heal

across the globe there is a need to empower young people to live out their faith within the complexities of their own diverse contexts this is particularly true in africa the continent with the world's youngest population yet despite the general popularity of youth ministry there is a lack of relevant resources addressing the specific challenges and opportunities faced by young people growing up on the african continent this book seeks to address that gap written specifically by african authors for an african context this collection of essays provides a biblical and theological framework for culturally relevant youth ministry each chapter

examines the cultural socio economic and spiritual factors that shape the experiences of young people on the continent and contributors highlight the importance of addressing such issues as identity sexuality community development social justice and digital media all while remaining faithful to the gospel filled with practical concepts for ministry and action this book seeks to empower african youth by equipping them with the biblical knowledge and leadership skills they need to become agents of change in their own communities this resource is designed for pastors youth leaders and anyone passionate about nurturing the next generation of believers and providing them with the tools to cultivate vibrant resilient faith in the face of modern challenges in africa and beyond

six theologians and eight psychologists from history square off finding both differences and common ground in their thinking on the most basic human needs

reassesses the short life and career of american essayist critic and founder of cultural radicalism bourne 1886 1918 known today mostly for his opposition to us military involvement in europe and warnings about the military industrial complex vaughan political science u of minnesota duluth argues that his stance from outside establishment perspectives was not a retreat from politics as many have claimed but a form of political engagement free from the suppositions that impede genuine debate and democratic change annotation copyrighted by book news inc portland or

essays cover emotional and personality development in normal adolescents and young adults risk factors such as gender race genetic factors personality and life events which are linked with an increased likelihood of becoming depressed or attempting suicide and various treatment strategies

youth has been a focus of the sociologies of deviance popular culture and criminology the text reassesses the growing body of writing and research about crime and young people it provides a critical introduction to the study of youth crime and punishment of the social construction of youth crime and punishment an examination of developments in policy and practice since the 1970s and an assessment of new trends in research and theory it offers a critical treatment of the marginalization of young people as spectacular and deviant and calls for a criminology that listens to youth

abstract this introductory textbook presents a comprehensive up to date discussion on adolescence relevant material from sociology anthropology and education is utilized to place the american adolescent in a social perspective to gain a better understanding of his or her total life and culture topics include physical growth and change body image intellectual and cognitive development self concept and self esteem adolescent alienation substance abuse social development and dating sexual values and behavior religion and moral development and work and vocation

as hip hop artists constantly struggle to keep it real this fascinating study examines the debates over the core codes of hip hop authenticity as it reflects and reacts to problematic black images in popular culture placing hip hop in its proper cultural political and social contexts
