town discovers is something far more deadly than anything they'd imagined something that doesn't just stalk its victims but has the power to turn hearts black with decay as it slowly fills their souls with darkness the visitation the sleepy eastern washington wheat town of antioch has become a gateway for the supernatural from sightings of angels and a weeping crucifix to a self-proclaimed prophet with an astounding message the national media and the curious all flock to the little town a great boon for local business but not for travis jordan the burned-out former pastor has been trying to hide his past in antioch now the whole world is headed to his backyard to find the messiah and in the process every spiritual assumption he has ever held will be challenged the startling secret behind this visitation ultimately pushes one man into a supernatural confrontation that has eternal consequences monster some monsters are real miles away from the hectic city reed and rebecca hike into the beautiful northwestern woods they are surrounded by gorgeous mountains waterfalls and hundreds of acres of unspoiled wilderness during their first night camping an unearthly wail pierces the calm of the forest then something emerges from the dense woods everything that follows is a blur to reed except the unforgettable image of a huge creature carrying his wife into the darkness enter into deep wilderness where the rules of civilization no longer apply a world where strange shadows lurk where creatures long attributed to overactive imaginations and nightmares are the hunters and people are the hunted

message to victims to bullies and to authorities who have the power to intervene that it's never ok for the strong to abuse the weak and that we allow such abuse at the expense of our souls and our very civilization especially in the wake of the massacre at columbine high school perpetuated by two troubled but also tormented outsiders this message takes on haunting resonance frank peretti believes we cannot afford to overlook the continuing reality of wounded spirits not only in our schools but in our homes churches and workplaces his approach is both tender and tough as he issues a ringing call for a change in attitude it's a call for all of us to stop thinking of abuse as normal even among kids it's a call for the strong to stand up and protect the weak not prey upon them it's a call for those in authority to pay attention to the violence being done to the vulnerable in the midst of our everyday lives and to take action to help most of all it's a call for bullies and victims alike many of us are both to seek the healing and forgiveness offered in jesus christ for that healing is really the heart of this book the only reality that can break the natural cycle of victimization and abuse only in christ peretti reminds is there hope for the wounded spirits but that hope is powerful enough to change everything
