part of the illustration now series this title presents a mix of established master draftsmen and neophytes working in a vast range of techniques it features more than 100 illustrators from 30 countries including information about their career paths and lists of selected exhibitions

spanking new a freshly picked selection of today's hottest illustrators following the success of illustration now this installment presents a completely new selection of 150 illustrators from all around the world whereas the first volume brought together a fascinating mix of star illustrators and brand new faces that together formed the face of illustration around the world illustration now 2 is even more exciting featuring illustrators from 25 countries with styles ranging from cutting edge to traditional also included is a dialog between design specialist steven heller and german illustrator christoph niemann about illustration's role in the world today this book is perfect not only for creative professionals and illustration students but also artists and anyone with an appreciation for visual language

after a decade of catching up with technology modern illustration is digitally literate and full of stylistic attitude today's illustrators work across a broad range of traditional skills and software and are much in demand recognising illustration as a freelance profession the fundamentals of illustration explains best working practices appropriate to all industry sectors including how to market and promote work effectively it also includes a useful section on copyright and the legalities of selling work accompanied by engaging visuals and examples from the world of professional illustration the fundamentals of illustration offers a unique and comprehensive insight into the world of professional illustration

across digital and print media editorial illustrators create visuals to support text and convey ideas but there is more to these illustrations than meets the eye internationally recognised illustrator and educator andy selby takes you through the importance of context and content when responding to editorial illustration briefs explaining how understanding of visual communication concepts leads to more successful illustrations all while under the time pressure of editorial briefs covering ideation development and execution this book includes a short history of illustration as a political and social tool how to use visual language symbolism and satire and to what purpose representation of identity ethics and society both for impact and sensitive designs research commercial judgement and experimentation professional conduct self promotion responsibilities and plagiarism so whether you're illustrating a news story summarising new scientific discoveries or creating an image for a magazine cover editorial illustration will give you the skills to produce striking commercial designs on time and to brief

for the last couple of years steven heller and julius wiedemann have traced the latest developments in illustration around the globe and for all those who thought digital heralded the end of an era they're here to set the record straight there were extraordinary eras before mass media changed our viewing habits back in the day when illustration was the primary means of illuminating the word on paper all the way to today when we get our words and images on screens as small as a watch face in this environment today's designers and artists are holding their own brilliantly illustration is more free and varied than ever and it is ubiquitous in all kinds of media from paper to screen to books packages clothing cars and restaurants this book celebrates the sheer quality diversity intensity comedy vivacity and exceptionality of the work being created by illustrators right now the artists in this collection are just the tip of the proverbial iceberg but they represent a compelling snapshot of the styles techniques and use of color by artists around the world we dare you to pick your favorites
