the block plan preschool is the ultimate tool for parents to use in bringing in free play and reducing structure in children's lives while still making sure they are challenged inspired and ready for school the parent handbook is an abridged version of the block plan preschool preparing your child at home for kindergarten it includes

discussion of early education philosophy kindergarten readiness how to make the curriculum work for your family and themes and book lists for each month perfect for taking to the library to collect books from the book list or giving to caregivers or grandparents so they understand your parenting philosophy the parent handbook is printed in a convenient trade paperback format the flexible structure of the block plan preschool helps children learn all they need to know before entering public school but allows them to explore and learn at their own pace and according to their own interests best of all the lessons are fun for both parents and kids and helps the whole family play together parents are a child's most important teachers and the block plan preschool is an empowering resource to help them improve their child's early education reclaim the simplicity and freedom of childhood and enhance family relationships

in easy to understand and clear language the author provides the practical guidance needed to successfully operate a child care and education center engagingly written this handbook invites readers to examine the many duties and responsibilities inherent in managing staff budgets and a quality program that conforms to all legal and regulatory requirements each chapter carefully addresses one leadership or management task to provide concise yet comprehensive coverage of every aspect of child care administration overall the book provides both practicing and future administrators a wealth of helpful support and resources including forms documents recommended readings and websites and reflective prompts to flourish in their positions

case examples and sample forms in each chapter make the strategies easy to implement and sample letters and more than 2 dozen photocopiable forms ensure that every phase of the planning process is easier an essential guidebook for program directors administrators and all of their staff members this book will help programs coordinate their services and plan successful transitions that support young children's school readiness jacket

don't even think about teaching your child at home until you read this book discover why millions of parents are homeschooling their children in this revised edition of her groundbreaking book mary griffith tells you everything you need to know about the fastest growing educational movement in the country including when why and how to homeschool detailed learning ideas for the primary middle and teen years how to navigate the local regulations strategies to avoid burnout and strengthen family relationships resources in the community and the homeschooling network and more whether you're one of the nearly one million families in the country

already homeschooling planning to take the plunge or just testing the water this hands on book will help the homeschooling handbook is a valuable resource for anyone intersted in nurturing their child whether you homeschool or not you will find many fresh ideas for working with children in these pages patrick farenga publisher growing without schooling if you re looking for practical commonsense advice about homeschooling if you re looking for answers to the really tough questions from someone with real insights to the movement if you re looking for sensible commentary backed up by experience and saavy mary griffith s the homeschooling handbook is just what you re looking for helen hegener editor home education magazine

this international handbook gives a comprehensive overview of findings from longstanding and contemporary research theory and practices in early childhood education in the northern and southern hemispheres the first volume of the handbook addresses theory methodology and the research activities and research needs of particular regions the second volume examines in detail innovations and longstanding programs curriculum and assessment and conceptions and research into child family and communities the two volumes of this handbook address the current theory methodologies and research needs of specific countries and provide insight into existing global similarities in early childhood practices by paying special attention to what is happening in the larger world contexts the volumes provide a representative overview of early childhood education practices and research and redress the current north south imbalance of published work on the subject
