recent immigrants and refugees both children and their families often struggle to adapt to canadian education systems for their part educators also face challenges when developing effective strategies to help these students make smooth transitions to their new country immigrant and refugee students in canada researchers join educators and social workers to provide a thorough and wide ranging analysis of the issues at the preschool elementary secondary and post secondary levels by understanding these issues within the unique canadian context educators can work more effectively with newcomers trying to find their way this book pursues three lines of inquiry what are the main challenges that immigrant and refugee children and families face in the canadian education system what are the common aspects of successful intervention what can we learn from the narratives of researchers educators social workers and other frontline workers who work with immigrant and refugee families

education for refugees and forced im migrants across time and context follows the journey of refugee and forced im migrant youths as their educational needs and opportunities vary

according to resettlement communities immigration policies dominant culture and language geography and other key factors

extensive research is available on language acquisition and the acquisition of mathematical skills in early childhood but more recently research has turned to the question of the influence of specific language aspects on acquisition of mathematical skills this anthology combines current findings and theories from various disciplines such as neuro psychology linguistics didactics and anthropology

this book is the first authoritative medical text that considers the unique cultural backgrounds of hispanic populations in a straightforward yet sensitive way all while building a framework for practical psychiatric assessment and treatment plans as the only book to consider the unique challenges facing hispanic mental healthcare this book is at the forefront of a serious issue that has gone unchallenged for too long the text is written by two expert psychiatrists with an established history of leadership in this space chapters carefully and meticulously establish the issues of access to care in latinx communities before addressing the unique needs of these patients in the context of common psychiatric disorders each disorder includes clinical cases for a reader friendly approach to the challenges that develop effective assessment and treatment plans mental health for hispanic communities is a concise yet comprehensive reference invaluable to all clinicians students and other medical professionals seeking to work with this population effectively

a few years ago resiliency theory was relatively new to the fields of prevention and education today it is at the heart of hundreds of school and community programs that recognize in all young people the capacity to lead healthy successful lives the key as benard reports in this synthesis of a decade and more of resiliency research is the role that families schools and communities play in supporting and not undermining this biological drive for normal human development of special interest is the evidence that resiliency prevails in most cases by far even in extreme situations such as those caused by poverty troubled families and violent neighborhoods an understanding of this developmental wisdom and the supporting research benard argues must be integrated into adults vision for the youth they work with and communicated to young people themselves benard s analysis of how best to incorporate research findings to support young people is both realistic and inspirational it is an easy to read discussion of what the research has found along with descriptions of what application of the research looks like in our most successful efforts to support young people

told through heart wrenching testimonies photographs and artwork of refugees fleeing their homelands desperately seeking asylum describes firsthand accounts of the harrowing and dangerous journey immigrants are willing to endure knowing that they might not even make it onto us soil desperately seeking asylum prioritizes the testimonies of refugee families and unaccompanied children who are seeking asylum in the united states from central america primarily guatemala el salvador and honduras their desperate and heart wrenching stories disclose why they fled their homelands their experiences along the treacherous overland journey and the harsh reality of how the united states

treats these families and children upon arrival to the united states it critiques us complicity to the violence they are fleeing and discloses how national leadership shapes us immigration policies and practices including the blatant documented violations against asylum seekers at the us mexico border most notably it offers transparency on us immigration practices at the us mexico border which violate existing us and international laws that are intended to protect asylum seekers including the current official practice of blocking bridges with turnbacks to prevent inadmissibles from applying for asylum in the united states it explains protections mandated by us law for unaccompanied children who are in us custody and discloses violations which keep these children detained excessive lengths of time in substandard for profit facilities which are overseen by the government and funded by taxpayers boursier also deconstructs the complicated asylum process including examining the credible fear for asylum procedure showing how technical terms and language are used to justify injustice at the border desperately seeking asylum offers hope for a new vision with alternative options and practical actions which assist migrants through humanitarian aid on both sides of the border the witness for compassionate and responsible response by people of conscious becomes an antidote to injustice against asylum seekers instead of the current administration manipulating us laws to support its ulterior motives and political agenda boursier asks readers to hold us elected officials accountable to the same rule of law that the united states demands of refugees ultimately boursier suggests a spectrum of options for practical ways to make the political personal through public witness and civic engagement to transform the broken immigration process for refugees who are desperately seeking asylum

from the creator of the socialai app comes an inspiring and deeply personal coming of age memoir from one of silicon valley s youngest entrepreneurs michael sayman is a second generation latino immigrant who taught himself how to code as a thirteen year old and went on to claim his share of the american dream as his parents watched their restaurant business collapse in the wake of the great recession michael sayman was googling how to code within a year he had launched an iphone app that was raking in thousands of dollars a month enough to keep his family afloat and in america entirely self taught sayman headed from high school straight into the professional world and by the time he was seventeen he was facebook s youngest employe ever building new features that wowed its founder mark zuckerberg and are now being used by more than half a billion people every day sayman pushed facebook to build its own version of snapchat s stories and as a result engagement on the platform soared across all demographics millions of gen z and millennials flocked to facebook and as teen engagement rose dramatically on instagram and whatsapp snapchat s parent company suffered a billion dollar loss in value three years later sayman jumped ship for google app kid is the galvanizing story of a young latino not yet old enough to drink who excelled in the cutthroat world of silicon valley and went on to become an inspiration to thousands of kids everywhere by following his own surprising extraordinary path in this candid and uplifting memoir sayman shares the highs and lows the successes and failures of his remarkable journey his book is essential and affirming reading for anyone marching to the beat of their own drum

when saoussan immigrated with her family from war torn lebanon she was only seven years old this picture book tells the story of how she had to adjust to her new home in canada she describes the frustration of not understanding the teacher when she started school not knowing how to ask to go to the bathroom and being terrified of a prop skeleton this is the perfect book to help kids empathize with immigrant children whose experiences are very similar to saoussan s
