william j seymour pentecostal trailblazer and revered pastor of the azusa street revival is a rich and thorough account of the life and ministry of william j seymour seymour the son of former slaves rose to prominence within the pentecostal movement as the pastor of the azusa street revival dr larry martin s extensive research and knowledge of william j seymour provides a solid framework for the telling of seymour s life ministry and the history of the azusa street revival martin s work not only provides details on seymour s life and ministry but also recounts the racism and discrimination that seymour faced in everyday

life and within the church seymour followed god's call to los angeles and in 1906 the azusa street revival began ushering in a new era of pentecostal revival in los angeles and spreading throughout the country and around the world while the revival's prominence over the years waned due to ongoing prejudice divergent ministry objectives and attempted takeovers the worldwide pentecostal movement remains unbowed and strong over a century later dr martin is part of the pentecostal legacy and has over fifty years devoted to ministry as a pastor educator and evangelist he is the author of several books on the azusa street revival the history of early pentecostals and the pentecostal church of god includes photos of seymour's life and ministry

theories of counseling and psychotherapy fully integrates a multicultural approach which is demonstrated in practice throughout every chapter and every theoretical approach new to the seventh edition increased focus on visual elements such as photos charts and summary tables more focus on case illustrations increased coverage of ethical and legal issues technology and on the counseling relationship added coverage of narrative counseling and brief solution focused counseling

the most profound event in modern church history took place not in a cathedral but in a clapboard church in los angeles a small congregation of mostly african american worshipers embraced the concept that new testament signs and wonders were still available in the early twentieth century their dramatic spiritual revival which became known as the azusa street revival attracted believers worldwide and launched the modern pentecostal and charismatic movements this event forever changed christian worship music and expression in commemoration of azusa street's 100th anniversary jack hayford tells the story revealing how christians are still experiencing its impact

first published in 2003 the most comprehensive book on the topic of multicultural mental health culturally diverse mental health addresses the challenge of counseling diverse populations including multiracial homosexual geriatric and disabled individuals because many clients of diverse backgrounds have entered therapy in the last two decades old models of treatment based on the mainstream majority no longer apply this book compiles the latest research on a widely diverse number of populations and addresses the issue of resistance to the need to modify old practices to apply to these populations

multiculturalism is a prevalent worldwide societal phenomenon aspects of our modern life such as migration economic globalization multicultural policies and cross border travel and communication have made intercultural contacts inevitable high numbers of multicultural individuals 23-43% of the population by some estimates can be found in many nations where migration has been strong e.g. australia u.s. western europe singapore or where there is a history of colonization e.g. hong kong many multicultural individuals are also ethnic and cultural minorities who are descendants of immigrants majority individuals with extensive multicultural experiences or people with culturally mixed families all people for whom identification and or

involvement with multiple cultures is the norm despite the prevalence of multicultural identity and experiences until the publication of this volume there has not yet been a comprehensive review of scholarly research on the psychological underpinning of multiculturalism the oxford handbook of multicultural identity fills this void it reviews cutting edge empirical and theoretical work on the psychology of multicultural identities and experiences as a whole the volume addresses some important basic issues such as measurement of multicultural identity links between multilingualism and multiculturalism the social psychology of multiculturalism and globalization as well as applied issues such as multiculturalism in counseling education policy marketing and organizational science to mention a few this handbook will be useful for students researchers and teachers in cultural social personality developmental acculturation and ethnic psychology it can also be used as a source book in advanced undergraduate and graduate courses on identity and multiculturalism and a reference for applied psychologists and researchers in the domains of education management and marketing

celebrating its 20th anniversary the most internationally cited resource in the arena of multicultural counseling the handbook of multicultural counseling is a resource for researchers educators practitioners and students alike continuing to emphasize social justice research and application the fourth edition of this best seller features nearly 80 new contributors of diverse backgrounds orientations and levels of experience who provide fresh perspectives to every chapter completely updated this classic text includes new chapters on prevailing social issues and covers the latest advances in theory ethics measurement clinical practice assessment and more this is the most comprehensive synthesis of cutting edge multicultural counseling research available this is the gold standard and a must read for anyone working in a human services field audrey m ervin delaware valley college

what colleagues are saying about the thoroughly revised and reorganized sixth edition of theories of counseling and psychotherapy a multicultural perspective finally a textbook that emphasizes the new positive psychology movement the more i read this text the more i like it meredyth g fellows west chester university of pennsylvania it brings a fresh perspective postmodern multiple perspectives multicultural intentionality concepts not addressed in my text and other similar texts to understanding theories of counseling and psychotherapy claire sham choy california state university fresno finally a textbook that centralizes multicultural feminist social justice movements and positive psychology as well as constructivism and postmodernism without tacking them on to the end a terrific book for a master s or advanced undergraduate course in theories or in multicultural counseling sharon horne the university of memphis the strength of this text is that it integrates multicultural issues into each chapter and utilizes multicultural examples to explore different theories this integration is coupled with the specific discussion of multicultural theory as a theory in and of itself the multidimensional approach to multiculturalism champions the current thinking of our time that celebrates an integrative and infused perspective nicole hill
