traces the history of delta sigma theta a black sorority and assesses its role helping black professional women

during the twentieth century black greek letter organizations bglos united college students dedicated to excellence fostered kinship and uplifted african americans members of these organizations include remarkable and influential individuals such as martin luther king jr congresswoman barbara jordan novelist toni morrison and wall street pioneer reginald f lewis despite the profound influence of these groups many now question the continuing relevance of bglos arguing that their golden age has passed

partly because of their perceived link to hip hop culture black fraternities and sororities have been unfairly reduced to a media stereotype a world of hazing without any real substance the general public knows very little about bglos and surprisingly the members themselves often do not have a thorough understanding of their history and culture or of the issues currently facing their organizations to foster a greater engagement with the history and contributions of bglos black greek letter organizations in the twenty first century our fight has just begun brings together an impressive group of authors to explore the contributions and continuing possibilities of bglos and their members editor gregory s parks and the contributing authors provide historical context for the development of bglos exploring their service activities as well as their relationships with other prominent african american institutions the book examines bglos responses to a number of contemporary issues including non black membership homosexuality within bglos and the perception of bglos as educated gangs as illustrated by the organized response of bglo members to the racial injustice they observed in jena louisiana these organizations still have a vital mission both internally and externally bglos struggle to forge a relevant identity for the new century internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members externally bglos face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior by embracing the history of these organizations and exploring their continuing viability and relevance black greek letter organizations in the twenty first century demonstrates that bglos can create a positive and enduring future and that their most important work lies ahead

reveals the historical and political significance of the divine nine the black greek letter organizations in 1905 henry arthur callis began his studies at cornell university despite their academic pedigrees callis and his fellow african american students were ostracized by the majority white student body and so in 1906 callis and some of his peers started the first intercollegiate black greek letter organization bglo alpha phi alpha since their founding bglos have not only served to solidify bonds among many african american college students they have also imbued them with a sense of purpose and a commitment to racial uplift the endeavor to help black americans reach socio economic equality a pledge with purpose explores the arc of these unique important and relevant social institutions gregory s parks and matthew w hughey uncover how bglos were shaped by and labored to transform the changing social political and cultural landscape of black america from the era of the harlem renaissance to the civil rights movement alpha phi alpha boasts such members as thurgood marshall civil rights lawyer and us supreme court justice and dr charles wesley noted historian and college president delta sigma theta members include bethune cookman college founder mary mcleod bethune and women s rights activist dorothy height huey p newton co founder of the black panther party who left an indelible mark on the civil rights movement was a member of phi beta sigma while dr mae jemison a celebrated engineer and

astronaut belonged to alpha kappa alpha through such individuals parks and hughey demonstrate the ways that bglo members have long been at the forefront of innovation activism and scholarship in its examination of the history of these important organizations a pledge with purpose serves as a critical reflection of both the collective african american racial struggle and the various strategies of black americans in their great and unfinished march toward freedom and equality

mary mcleod bethune shirley chisholm barbara jordan and lena horne all prominent black women who made tremendous contributions to society in the fields of politics education and the arts and all members of the delta sigma theta sorority *dst in search of sisterhood* tells the story of dst the largest black women s organization in the united states founded at a time when liberal arts education was widely seen as futile dangerous or impractical for blacks especially women dst was formed to bring women together as sisters and also to address the divisive often class related issues confronting black women in our society the tension between these goals makes delta sigma theta a fascinating microcosm of the struggles of black women and their organizations throughout american history paula j giddings is the elizabeth a woodson 1922 professor in afro american studies at smith college and the author of *when and where i enter* and *in search of sisterhood*
